To the extent consistent with applicable law, seller makes no other warranties, either expressed or implied.
Snail Block™
Slug & Snail Killer

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals: CAUTION. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, and using the toilet.

Environmental Hazards:
To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the lawn or garden will help to prevent run off to water bodies or drainage systems.

FIRST AID
If in eyes: Hold eye open and instill gently and gently with water for 15-20 minutes. Remove contact lenses if present. After the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Hotline Number
Have the product container or label with you when calling a poison control center or doctor; or going for treatment. For emergency information concerning this product, call 1-800-265-0765.

DIRECTIONS FOR USE:
It is a violation of federal law to use this product in a manner inconsistent with its labeling.

FOR USE ON VEGETABLES, FRUITS INCLUDING CITRUS, BERRIES, HERBS, OUTDOOR ORNAMENTALS, GREENHOUSES AND LAWNS.

HOW TO APPLY:
Scatter the slug and snail bait granules on the soil around or near the plants to be protected. Do not use kitchen utensils or food utensils after pesticide use. Do not place in a hot spot where the bait is consumed or eaten. Apply more heavily if the infestation is severe, if the area is heavily watered or after long periods of heavy rains.

WHERE TO APPLY:
Treat all evenly spaced with the aid, especially around the base of plants, between rows and around the perimeter of gardens. When pest travel into plant areas from nearby crops. Slowly scatter bait around vegetable plants such as beans, tomatoes, lettuce, celery, sweet corn, and grapes. Other favorite areas are flower gardens, rose beds, shade trees, lawns, citrus groves, flower patches, and other ground cover where they obtain water by day.

AMOUNT TO APPLY:
1 lb - 0.00 lbs/100 sq. ft. or 0.3 lb per square yard.
