TREATMENT FOR PET POISONING: If animal eats bait, call veterinarian at once.

NOTE TO PHYSICIAN OR VETERINARIAN: Contains the Phosphine-producing active Zinc Phosphate. Poisonous mucosal damage may contraindicate use of gastric lavage. For animals ingesting bait and/or showing poisoning signs, induce vomiting by using hydrochloric acid peroxide. Sodium bicarbonate can be used orally to neutralize the stomach acidity. The stomach and intestinal contents can be evacuted, oxygenated, administered andcardiac and circulatory stimulants given.

For 24-hour emergency information on this product, call 1-800-498-5743 (US & Canada) or 1-651-523-0318 (other areas).

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

AVERTION: Harmful if inhaled, swallowed, absorbed through the skin, or inhaled. Avoid contact with eyes. Avoid breathing dust. Avoid contact with skin or clothing. Wear long-sleeved shirt and long pants, shoes, socks, and waterproof gloves. Wash hands thoroughly with soap and water before eating, drinking and chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse. Any person who retrieves carcasses or unused bait following application of this product must wear protective gloves.

User Safety Requirements

Follow manufacturer’s instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry. Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash hands thoroughly after applying the bait and before eating, drinking, chewing gum, using tobacco or using the toilet. Change and clean clothing.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to birds, mammals and wildlife. Wildlife feeding on treated bait may be killed. Dogs, cats and other predatory and scavenging mammals and birds might be poisoned if they feed upon animals that have eaten this bait. Do not apply directly to wildlife.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. READ THIS LABEL: Read this entire label and follow all use directions, restrictions and precautions.

LAWS

USE RESTRICTIONS:

This product may only be applied at the use sites and by the application methods indicated on this label.

Bait must be applied directly into mole and pocket gopher burrow systems.

Any person who retrieves carcasses or unused bait following application of this product must wash clothing. This product may only be used to control moles and pocket gophers in manual, below-ground applications.

Do not apply to gardens where food or feed may become contaminated.

Do not apply this product by use of an artificial bait builder.

Specific Directions for Mole: The presence of moles may be indicated by a network of surface ridges in the turf, by a series of conical mounds of dirt. Examine edges of lawns, ditches and other areas where excess soil has been formed and entrances to active burrows or tamper-resistant bait stations. These wastes may be disposed of by use according to label instructions. Your State or Federal Pesticide Regulatory Agency may have information relative to this product.

FOLLOW-UP: Keep bait stations out of reach of children and pets. Remove any excess pesticide, spray mixture, or rinsate that is a violation of Federal Law. Do not sell this product in individual container holding less than four (4) pounds of bait.

STORAGE AND DISPOSAL

Do not dispose of containers, labels, or unused or expired bait. Do not allow excess pesticide, spray mixture, or rinsate that is a violation of Federal Law. Do not sell this product in individual container holding less than four (4) pounds of bait.

DISCLAIMER:

To the extent permitted by applicable law, seller makes no representation or warranty, either express or implied, for results due to misuse, improper handling or improper storage of this material. Nor does seller assume any responsibility for injury to persons, crops, animals, soil or property arising out of misuse, improper handling or improper storage of this material.
