Precautionary Statements
Hazards to Humans & Domestic Animals

CAUTION: Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

First Aid

| If on Skin Or Clothing: | • Take off contaminated clothing
|                        | • Immediately rinse skin with plenty of water for 15-20 minutes
|                        | • Call a poison control center or doctor for treatment advice

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 800-222-1222 for emergency medical treatment advice.

Note to Physician:
This product is a pyrethroid. If large amounts have been ingested, the stomach and intestine should be evacuated. Treatment is symptomatic and supportive. Digestible fats, oils, or alcohol may increase absorption and should be avoided.

(Note: The first aid statements’ grid format will be used if market label space permits; otherwise a paragraph format will be used.)

Environmental Hazards
This pesticide is extremely toxic to fish and aquatic invertebrates. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For use in and around buried cables, cable television pedestals, cables, pad-mounted electric power transformers, telephone cables, underground vaults, telecommunications equipment (boxes, closures, interfaces, pedestals, protectors and terminals), power and utilities equipment (camera housings, control panels, emergency light systems, fire alarm systems and lights/alarms), and railroad systems equipment (breaker boxes, railroad signals, traffic control boxes and signals, and transformer pads).

Do not open contents until ready for use.

Use in interior and exterior areas at points of entry. Open plastic bag and pour entire contents 4 oz directly into and around equipment, buried closure or hole. Lock equipment or closure or set pole immediately to prevent access. One 4 oz. bag will treat up to 12” x 12” (1 sq. ft.).
Storage and Disposal

Do not contaminate water, food or feed by storage and disposal.

Pesticide Storage: Store in a cool, dry area away from children and domestic animals.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal:

Nonrefillable Container (4 oz. bag): Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available.

NOTICE: Seller makes no warranty express or implied, concerning the use of this product other than indicated on this label. To the extent consistent with applicable law, Buyer assumes all risks of use and/or handling of this material when such use and/or handling is contrary to label instructions.
