NatureLine PRO is recommended for all interior and exterior uses, as well as for all modes of transportation.

TREATMENT PRECAUTIONS
Read this before using
This product is derived from plants, persons with severe allergies should test product in one room before spray- ing entire house. If any reaction occurs have them leave until product dries. Do not use this product in or on electrical equipment due to probable shock hazard. In the event of accidental treatment or spill, dilute with water and wipe off surface with a damp cloth. This product may cause damage to sensitive vegetation, especially when exposed to direct sunlight during hot temperatures. Do not apply to windows.

Statement of Practical Treatment: If in eyes: flush with plenty of water. Skin: Wash with soap and water. If irritation persists call your doctor. If swallowed: Drink plenty of water, call poison control center, do not induce vomiting. If on clothing: remove and wash before use. If skin irritation persists do not apply clothing.

Environmental hazards: May be toxic to fish and aquatic invertebrates. Do not apply directly to water, to areas where surface water may contaminate a stream, or to areas below the high water mark. Use with care when applying to areas adjacent to any body of water. Do not contaminate bodies of water when cleaning and rinsing equipment.

Physical and Chemical hazards: Do not store near heat or open flame.

Storage and Disposal: Store only in original container in a dry place inaccessible to children or pets. Offer for recycling if available or discard in local landfill.

Disclaimer of Warranties: There are no warranties, expressed or implied, of merchantability or of fitness for a particular purpose or otherwise, which extend beyond the statements on this label. No agent of NatureLine is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. NatureLine disclaims any liability whatsoever contained herein or to modify the warranties contained herein. NatureLine makes no other claims than that which are stated on this label.

This product is available only to licensed pest control operators. If you are not a licensed, insured and bonded pest control company, please return this product for a refund.

This product is exempt from registration with the U.S. Environmental Protection Agency under FIFRA section 25(b) regulations

DIRECTIONS FOR USE:
Apply generously where insects are found to help provide control. Retreat infestations as needed.

SHAKE WELL BEFORE USING
Maintain agitation in all spray systems before and during use.

EXTERIOR YARD, TREES, AND LANDSCAPING FOLIAGE
Apply thoroughly with enough water to provide coverage of 4oz (four ounces) of concentrate over each 1,000 (one thousand) sq ft area.

BASEBOARDS & CARPETS
Mix 1oz (one ounce) per gallon of water. Apply to a small inconspicuous area of carpet before using. Check for staining. Always test an inconspicuous area prior to use as some natural or synthetic fibers may be adversely affected by any oil or water based products. Consult with material or carpet manufacturer for compatibility. For fleas or carpet beetles apply generously at 1oz (one ounce) per 1,000 (one thousand) square feet. Treat once every three weeks until infestation is under control. Not recommended for use on animal hair, wool carpets, or other delicate materials, consult with fabric manufacturer before use.

IMPORTANT: Read the following before using
By buying this product, user/buyer accepts the following conditions, disclaimer or warranties and limitations of liability:

Conditions: The directions for use of this product are believed to be adequate and should be followed carefully. However because of the manner of use and other factors beyond NatureLine’s control, it is impossible for NatureLine to eliminate all risks associated with the use of this product.
