IMPORTANT: Read entire Directions for Use, Precautions, & Disclaimer of Warranties before using product!

TREATMENT PRECAUTIONS Read this before using: This product is derived from plants. If any reaction occurs of persons having severe allergies, have them leave until product has dried. Do not use this product or mixture in or on electrical equipment due to risk of shock hazard. In the event of accidental treatment or spill, dilute with water and wipe off using a damp cloth. May be phototoxic to broadleaf plants. Do not apply directly on desirable vegetation. In case of accidental exposure, rinse plant leaves with water.

DIRECTIONS FOR USE: Apply as a structural barrier where insects are found to help provide control. Retreat infestations as needed.

SHAKE WELL BEFORE USING: Maintain agitation in all spray systems before and during use. Mix up to 2 (two) ounces of NatureLine Plus per gallon of water in a low pressure sprayer.

EXTERIOR APPLICATION: This product is primarily designed for use on exterior walls, eaves and foundations. Apply liberally as a fine mist to walls, eaves, foundations, and other exterior surfaces.

INTERIOR APPLICATION: NOT RECOMMENDED for use indoors, due to potent fragrance and surface staining. This product is oil based.

Statement of Practical Treatment:

If in Eyes: Flush with plenty of water. Skin: Wash with soap & water. If irritation persists call your doctor. If Swallowed: Drink plenty of water, call poison control center, do not induce vomiting. If on Clothing: Remove and wash before use. If skin irritation persists destroy clothing.

Environmental hazards: May be toxic to fish and aquatic invertebrates. Do not apply directly to water, to areas where surface water may contaminate a stream, or to areas below the high water mark. Use with care when applying to areas adjacent to any body of water. Do not contaminate bodies of water when cleaning and rinsing equipment.

Physical and Chemical hazards: Do not store near heat or open flame.

Storage and Disposal: Store only in original container in a dry place inaccessible to children or pets. Do not re-use empty containers. Offer for recycling if available or discard in local landfill.

IMPORTANT: Read the following before using: By buying this product, user/buyer accepts the following conditions, disclaimer or warranties and limitations of liability:

Conditions: The directions for use of this product are believed to be adequate and should be followed carefully. However because of the manner of use and other factors beyond NatureLine’s control, it is impossible for NatureLine to eliminate all risks associated with the use of this product. All such risks shall be assumed by the user, or buyer of this product.

Disclaimer of warranties: There are no warranties, expressed or implied, of merchantability or of fitness for a particular purpose or otherwise, which extend beyond the statements on this label. No agent of NatureLine is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. NatureLine disclaims any liability whatsoever for incident or consequential damages, including but not limited to liability rising out of breach of contract, express or implied warranty (including warranties of merchantability and fitness for a particular purpose), tort, negligence, strict liability or otherwise.

Limitations of Liability: The exclusive remedy of the user or buyer for any and all losses, injuries or damages resulting from the use or handling of this product, whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid, or at NatureLine’s election, the replacement of the product.

All users of this product must carry general liability pertaining to pest control services or they are not authorized to use this product. Any consumer not covered by general liability and licensed as a pest control operator in their state of business is not authorized to use this product under any circumstances. NatureLine makes no other claims than those which are stated on this label.
