To use the product:

1. Do not open until ready to use. Dust will form on collar during manufacture. Remove dust and shake to loosen dust before use.

2. Place the collar around your pet's neck. Feed the collar through both notches of the collar. Be sure both holes notches facing out. Fit to the neck of the dog. The collar in place will fall off when stretching; pull on any remaining excess collar and dispose of in the trash.

3. Place the collar securely around your pet's neck. Feed the collar through both notches of the collar. Be sure both holes notches facing out. Fit to the neck of the dog. The collar in place will fall off when stretching; pull on any remaining excess collar and dispose of in the trash.

4. Fasten collar at pet's neck. Two fingers can be placed between the collar and pet's head, and two fingers can be placed between the collar and pet's neck. Leave 1 or 2 extra inches for collar adjustment, cut off remaining excess collar and dispose of in the trash.

5. Wash hands after installing collar on pet. Replace collar every 6 months, or sooner if needed.
