IVE & MARINE
ATINGS

TechForce™ Copper Free Anti-blocking Point is a solid-oxide, copper and tin-oxide coating, containing a unique blend of bronze and other proprietary compounds to deliver tack free and hard finishing.
• Contains unique organic-based technology that provides non-porous coating containing TiC.
• Bronze and other proprietary compounds are non-porous in the environment with very slight hazing losses.
• Compliant with VHC regulations.

FOR USE AS:
IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

FOR MARINE APPLICATIONS ONLY
VOC: Unreduced
Less than 300 g/l (2.0 ft/lb, gal., maximum)
Reduced at 5%:
Less than 300 g/l, 2.02 lbs/gal.

DELAYED EFFECTS FROM LONG TERM EXPOSURE.
Contains solvents which can cause permanent brain and nervous system damage. Intentional misuse or inhalation of contents can be harmful or fatal.

FIRST AID:
IF SWALLOWED: Call a Poison Control Center or doctor immediately for treatment advice. Have a person sip a small glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.
IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, continue rinsing eye. Call a poison control center or doctor.
IF ON SKIN: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

NOTE TO PHYSICIAN:
Contains petroleum distillates - sweating may cause aspiration pneumonitis.

PRECAUTIONARY STATEMENTS
WARNING: HAZARDS TO HUMANS AND DOMESTIC ANIMALS.
Causes substantial, but temporary eye injury. Harmful if inhaled or inhaled. Do not get in eyes or on clothing. Avoid breathing vapor or spray mist. Avoid contact with skin. Wear goggles, face shield, or safety glasses. Wash thoroughly with soap and water after handling and before eating, drinking, smoking, chewing gum, using tobacco, or using restroom. Remove and wash contaminated clothing before reuse.
When used in closed areas or while spraying and/or sanding boat surface, wear a mask or respirator jointly approved by the Mining Enforcement and Safety Administration and the National Institute for Occupational Safety and Health, under the provisions of 29 CFR 11.

ENVIRONMENTAL HAZARDS.
Do not contaminate waters by clearing of equipment or disposal of wastes. Do not allow ships and boats generated during paint removal to enter waters. Dispose waste solvents in an approved manner.

PHYSICAL OR CHEMICAL HAZARDS.
COMBUSTIBLE FLASH POINT APPROXIMATELY 100°F. Do not use or store near heat or open flame. Pesticide, container or rinse water that cannot be used according to label instructions must be disposed of according to Federal or approved State procedures, under Subtitle C of the Resource Conservation and Recovery Act.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

PESTICIDE DISPOSAL
Pesticide that cannot be used according to label instructions must be disposed of according to Federal, State or Local procedures under Resources Conservation and Recovery Act.

CONTAINER DISPOSAL
Nonreturnable containers. Do not reuse or refill this container. Offer for recycling, if available, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.
