PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS
DANGER: CORROSIVE: Causes irreversible eye damage and skin burns. May be fatal if swallowed. Do not breathe vapor or fumes. Do not get in eyes, on skin or on clothing. Wearing goggles or face shield, protective clothing and rubber gloves when handling. Use with adequate ventilation. Wear protective clothing and safety glasses when mixing and using. Use with adequate ventilation. Wash with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove contaminated clothing before leaving home.

CHEMICAL HAZARDS: Never use with chlorine products. Do not mix with ammonia products. Do not dilute or apply to any surface that can be damaged by acidic materials. Many surfaces are not resistant to acidic materials. Do not apply on PVD finished surfaces.

FIRST AID
IF IN EYES: Hold eyes open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eyes. Call a poison control center or doctor for treatment advice.

Clean, disinfect and deodorize for a microscopic clean. Quickly eliminates rust, lime, and scale deposits. Will not harm bacteria action of legionella. When used as directed, product demonstrates effective disinfection against Staphylococcus aureus, Staphylococcus aureus-Methicillin-Resistant (MRSA), E. coli, Bacillus subtilis, and HIV-1. Efficiency tests have demonstrated it to be an effective one-step toilet bowl cleaner dissipative in the presence of organic soil (1% blood serum). For use in commercial and industrial buildings, schools, manufacturing plants, and restrooms. Do not use inside toilet bowls and urinals. Use only in toilet bowl cleaner or other than vitreous ware is used at an unknown risk.

DIRECTIONS FOR USE:
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. General Cleaning: Open cap. Squirt several drops of bottle cleaner under rim and on sides of bowl, inside only. Brush clean and flush toilet. Rinse Rinse Rinse Rinse Rinse Rinse Rinse with clean water. Do not use on any other surface including toilet seat, toilet lid, countertops, tubs and sinks. To clean other acid resistant surfaces, dilute product with parts water. Do not allow solution to remain on surfaces without immediately rinsing thoroughly with water. To Disinfect Toilet Bowls or Urinals: Remove water from bowl or urinal. Squirt several drops of bottle cleaner under rim and in bowl. Clean entire unit, especially under rim at water outlets. Allow to remain 10 minutes. Flush and rinse out bowl brush with clean water. A preliminary cleaning is optional for the removal of heavy soil prior to disinfection. EFFECTIVE AGAINST HIV-1 (AIDS VIRUS) Product was evaluated and found to be an effective virucidal in the presence of 5% serum against the virus HIV-1 (Human Immunodeficiency Virus 1, commonly referred to as AIDS VIRUS) on manmade surfaces. KILLS HIV ON PRE-CLEANSED ENVIRONMENTAL SURFACES/OBJECTS PREVIOUSLY SOILED WITH BLOOD/ BODY FLUIDS in health care settings or other settings in which there is an expected likelihood of soiling of manmade surfaces/objects with blood or body fluids, and in which the surfaces/objects are likely to come in contact with blood or body fluids. The product can be associated with the potential for transmission of manmade undetectable virus type 1 (HIV-1) to others (associated with AIDS).

STORAGE AND DISPOSAL
Do not contaminate surface water, food or feed by storage and disposal. Pesticide Storage: Store in an area inaccessible to children and persons unfamiliar with its use. Pesticide Disposal: Pesticides are highly hazardous; improper disposal of excess pesticides, spray, or mist or of intact is a violation of Federal Law. If these wastes cannot be disposed of by you, according to label directions, contact your State Pestisde or Environmental Control Agency, or the hazardous waste representatives at the nearest EPA Regional Office for guidance. Container Disposal: Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available. Triple rinse container prior to reusing. Offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incinerator, or if allowed by state and local authorities, burn. If burned, stay out of smoke.

Cleans, disinfects and deodorizes for a microscopic clean. Quickly eliminates rust, lime, and scale deposits. Will not harm bacteria action of legionella.
