For multi-purpose chlorinating uses

KEEP OUT OF REACH OF CHILDREN

DANGER

FIRST AID: If IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. If ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call poison control center or doctor for treatment advice. IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call poison control center or doctor for treatment advice. IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

NOTE TO PHYSICIAN: Immediate medical attention may be needed for corrosive injury.

TO PROTECT HEALTH OF THE USER AND OTHERS: Use only as directed.

See product label for all precautions and directions.

PESTICIDE STORAGE:

Do not store with food, water, or feed by storage and disposal. PESTICIDE DISPOSAL:

Do not reuse empty container but place in trash collection.

PESTICIDE DISPOSAL:

Pesticide wastes may be hazardous. Improper disposal of excess pesticide, spray mixture, or rinse is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the hazardous waste representative at the EPA Regional Office for guidance.

CONTAINER HANDLING:

Nonrefillable container: Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying.

TRIPLE RINSE AS FOLLOWS: Empty the remaining contents into application equipment or a mix tank. Fill the container 1/4 full with water. Replace and tighten closures. Up container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinse into application equipment or a mix tank or store rinse for later use or disposal. Repeat this procedure two more times. Then offer for recycling if available or reconditioning if appropriate or purport to dispose of in trash or in sanitary landfill, or incinerations, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

WARRANTY STATEMENT: Buyer assumes all responsibility for safety and use not in accordance with directions.

SEWAGE & WASTEWATER TREATMENT:

Do not contaminate water, food, or feed by storage and disposal.

PESTICIDE STORAGE:

Keep this product dry in tightly closed container when not in use. Store in cool, dry, well ventilated area away from heat or open flame. In case of decomposition, isolate container (if possible) and flood area with large amounts of water to dissolve all materials before discarding this container.

PESTICIDE DISPOSAL:
