Mosquitoes before they bite

EASY to use
3 Monthly Treatments

Starts KILLING FLEAS within 15 minutes

First Aid
If in eyes • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center, doctor or veterinarian, or go for treatment.

Hazardous to humans
Caution: Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

Hazard to domestic animals
Do not use on other animals. Do not use on dogs or puppies less than 12 weeks old or weighing less than 15 lbs. Do not use this product on debilitated, aged, medicated, pregnant or nursing animals, or on animals known to be sensitive to pesticide products without first consulting a veterinarian. Sensitivity, such as slight transitory redness of the skin at the site of application, may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap, rinse with large amounts of water, and consult a veterinarian immediately.

Environmental hazards
This product is toxic to fish.

Storage and disposal
Pesticide storage: Keep this product in its tightly closed original container, when not in use. Store in a cool, dry, preferably locked area that is inaccessible to children and animals.

Pesticide disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container disposal: Non-refillable container. Do not reuse or refill container. For additional information on this pesticide product, including health concerns, medical emergencies or pesticide incidents, you may call 1-800-275-1414.

For more information call our experts at 1-800-275-1414, EPA Reg. No. 2596-169, EPA Est. No. 2596-OH-1, and before eating, drinking, chewing gum or using tobacco.

Precautionary statements
