Ortho Mole B Gon Mole & Vole Repellent Granules
Long Lasting • “No Stink” Formula

EASY STEPS TO PROTECT YOUR YARD AND GARDEN FROM MOLES & VOLES!

DIRECTIONS:
• Open bag and pour into hand-held spreader.
• Using hand-held spreader, liberally apply to turf, ground cover and soil around flower beds and other plants, making sure to apply an even amount to the area. When using on edible crops, apply the product when no above-ground harvestable food commodities are present, including blossoms.
• Treat tunnels and dens by applying to openings.
• Repeat application as needed, usually every 30 days or at the first sight of animal damage.

ACTIVE INGREDIENTS:
- Castor Oil ........................................ 9.90%
- Geraniol ........................................... 0.37%
- Peppermint Oil ................................. 0.29%
