EASY STEPS TO PROTECT YOUR YARD AND GARDEN FROM DEER & RABBITS!

DIRECTIONS:
• Remove seal under cap, and replace shaker top.
• Hold bottle with shaker top pointed forward and down. Shake bottle side to side to dispense.
• Liberally apply to turf and soil around flowers and other plants, making sure to apply an even amount. When using on edible crops, apply the product when no above-ground harvestable food commodities are present, including blossoms. Treat tunnels and dens of digging animals by applying to openings.
• Repeat application as needed, usually every 30 days.
