Use this product to:

**ATTACK BUGS**

KILL BUGS ON CONTACT

- Use indoors or outdoors to kill ants, roaches, spiders, flies and other listed bugs on contact.

Avoid spraying near baits to make sure bugs can bring the bait back to where they hide.

Use Other Raid® Products To:

- Use a Raid Max® Bug Barrier product to keep ants, roaches, spiders and other listed bugs out. Read the label to find the right product for your bug problem.

Use Other Raid® Products To:

- Use a Raid Max® Bug Barrier product to keep ants, roaches, spiders and other listed bugs out. Read the label to find the right product for your bug problem.

---

**TIPS**

- Remove food spills and exposed food. Store food in sealed containers.
- Clean hiding spots and points of entry from outside or neighboring units.

---

**ACTIVE INGREDIENTS:**

Prallethrin ................................ 99.775%

---

**PRECAUTIONARY STATEMENTS ON INSIDE PANEL.**

**WARNING:** Use only as directed. Harmful if swallowed, inhaled or if it gets in eyes. Do not reuse container. Keep out of the reach of children. Consult the first aid and additional information on the inside panel of this product.

**KEEP OUT OF REACH OF CHILDREN.**

**STORAGE & DISPOSAL:**

- Store in original container in a cool, dry place.
- Do not incinerate container if it is empty; as the container is made of a combustible readily ignitable material.

**DISPOSAL:**

- Do not contaminate water, food, or feed by storage or disposal. Properly discard unused product in the trash.
