Clean and disinfect with Scrubbing Bubbles!

- **DISINFECTS:** Kills 99.9% of viruses* and bacteria*
- **Cleans:** Removes soap scum, hard water stains, dirt and grime!
- **Shines:** Leaves behind a brilliant shine!
- **Freshens:** Lemon scent deodorizes and leaves your bathroom smelling fresh!
- **Works on Multiple Surfaces:** Effective on: glazed ceramic tile, stainless steel, chrome, fiberglass, vinyl, plastic, synthetic marble, and glazed porcelain surfaces. Spot test all other surfaces; not recommended for use on natural marble, brass, or finished wood.

**Directions for Use:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Turn nozzle to ON position. TO CLEAN: Spray 6-8 inches from surface. Allow foam to penetrate dirt and soap scum. For tough jobs, let stand several minutes before wiping. Wipe with a wet cloth, then rinse thoroughly with water. TO SANITIZE AND DEODORIZE HARD, NON-POROUS SURFACES: Spray until thoroughly wet. Let stand 30 seconds. Then wipe. For heavily soiled surfaces, a pre-clean may be necessary. TO DISINFECT HARD, NON-POROUS SURFACES: Spray until thoroughly wet. Let stand for 5 minutes. Then wipe. For heavily soiled surfaces, a pre-clean may be necessary.

**Storage & Disposal:** Store in original container in areas inaccessible to children or persons unfamiliar with its use. Nonrefillable container. Do not reuse container. Offer for recycling or reconditioning, if available. If not, discard in the trash.

**Precautionary Statements:** Hazards to Humans and Domestic Animals. CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

**FIRST AID:** If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. IN CASE OF EMERGENCY, CALL A POISON CONTROL CENTER OR DOCTOR FOR TREATMENT ADVICE. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
