DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake Well Before Using
To Clean: Prior to disinfection, thoroughly pre-clean all surfaces to be treated by removing all gross filth and heavy soil.
To Disinfect: Hold up can and spray from a distance of 6 to 8 inches until area for treatment is thoroughly moistened. Allow surfaces to remain wet for 10 minutes after wiping.
To Sanitize: Spray surface until entire area is thoroughly wet. Allow to remain wet for 5 minutes before wiping.

For Control of Mold and Mildew on Hard, Non-Porous Environmental Surfaces: Spray surfaces until thoroughly moistened. Allow to air dry. Repeat application in 7 days.
For Control of Trichophyton mentagrophytes (Athlete’s Foot Fungus) in areas such as bathrooms, locker rooms, floors, benches, shower stalls or other non-porous environmental surfaces commonly contaminated by bare feet: Spray surface until thoroughly moistened. Allow to remain wet for 10 minutes. Allow to air dry.
For Use on: Walls, floors, bedframes, bedspreads, pillows, mattress, lamps, curtains, breakfast bars, lampshades, refrigerator doors, stainless steel, porcelain, and wood. Due to the possibility of electric shock when used on telephones, avoid excessive spraying of telephones. Note: Disinfected food contact surfaces must be rinsed with potable water after cleaning and/or disinfecting and before reuse.

PRECAUTIONARY STATEMENTS
Hazard to Humans & Domestic Animals
WARNING: Causes substantial, but temporary eye injury. Do not get in eyes or on clothing.
Wear safety glasses or face shield. Thoroughly wash hands after handling. Do not use on polished wood, painted surfaces, fabrics, acrylic plastics or furniture.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal. Pesticide Storage: Store upright in a cool dry place away from heat or open flame. Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Container Disposal: Non-refillable container. Do not reuse or refill this container. Do not puncture or incinerate; if empty. Place in trash or offer for recycling if available. This container may be recycled in the area but growing number of communities where it might be recycled is growing. Before offering for recycling, remove labels or receptacle container in trash. If partially filled. Call your local solid waste agency for disposal instructions.
