DIRECTIONS FOR USE
It is a violation of federal law to use this product in a manner inconsistent with its labelling. Do not allow children to
apply product. TO PREVENT HARM TO YOU AND YOUR CAT READ THE ENTIRE LABEL AND DIRECTIONS ON PACKAGE
AND PACKAGE INSERT BEFORE USE. FOLLOW ALL DIRECTIONS AND PRECAUTIONARY STATEMENTS CAREFULLY.
USE ON CATS ONLY. DO NOT USE ON RABBITS. DO NOT USE ON DOGS OR OTHER ANIMALS.

VetGuard for Cats is for use on cats including breeding, pregnant and lactating queens, and on kittens that weigh
over 1.5 lbs and are older than 8 weeks.

VetGuard for Cats keeps on working even after cats are shampooed, rinsed with water, or if cats are outdoors and
exposed to the sun or rain.

FREQUENCY OF APPLICATION
Monthly application of VetGuard for Cats controls fleas, tick and chewing lice infestations. You can reapply VetGuard
for Cats once every 30 days.
Pinless VetGuard for Cats kills adult fleas for up to six weeks. If your cat becomes reinfested with fleas, or if
your cat is in situations where reinfestation may occur, you may apply VetGuard for Cats every 30 days.
Ticks: VetGuard for Cats kills ticks for at least one month. Apply VetGuard for Cats every 30 days to control
ticks (adult, nymph and larval) that may transmit Lyme disease, Rocky Mountain Spotted Fever, ehrlichiosis,
 babesiosis, and anaplasmosis.
Chewing Lice: VetGuard for Cats kills chewing lice for at least one month. Apply VetGuard for Cats every 30
days to control chewing lice.

Use VetGuard for Cats on cats including breeding, pregnant and lactating queens, and on kittens weighing over 1.5 lbs.
and 8 weeks or older. A one-spot application is convenient and easy for effective treatment of fleas, ticks and chewing
lice. Apply VetGuard for Cats when your cat is dry.
VetGuard for Cats is applied at a single point on the surface of the skin between the cat's shoulders and rapidly covers
the entire cat by rubbing in the hole, on the surface of the skin and in the subcutaneous glands.
Sooner after coming into contact with a treated cat, fleas, ticks and chewing lice are killed.

To kill fleas, ticks and chewing lice apply VetGuard for Cats as follows:

1. Cut along Olivier cut line to separate unit

2. Turn unit over and cut corner at bulb end

3. From cut corner, peel backing completely off from bottom to top

4. Remove the applicator

OPEN APPLICATOR
Hold upright with lid side away from you and snap applicator tip back to open.

APPLY VETGUARD FOR CATS
Find a spot between the cat's shoulder blades and part hair. Place the open end of the applicator just above the
skin and squeeze. Apply the entire contents of the applicator in a single spot directly onto the cat's skin. Avoid applying
on top of the hair coat. Do not touch treated area until dry.
FIRST AID
IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control center or doctor. Have person sip a glass of water if able to swallow. Do not give anything by mouth to an unconscious person.
IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
HOTLINE NUMBER: Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information on this pesticide product (including health hazards, medical emergencies, or pesticide incidents), you may call 1-855-844-4375, twenty-four (24) hours per day, seven (7) days per week.
PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS
CAUTION: Hazardous if swallowed. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, or using tobacco.
HAZARDS TO DOMESTIC ANIMALS
CAUTION. FOR EXTERNAL USE ON CATS ONLY. Do not use on kittens under 1.5 lbs. or under 8 weeks of age. Individual sensitivity, while rare, may occur after using ANY pesticide product. Cats may experience some temporary irritation at the site of product application. If signs persist, or become more severe within a few days of application, consult a veterinarian immediately. Certain medications can interact with pesticides. Consult a veterinarian before using on medicated, disbudded or aged animals. It is advisable to consult a veterinarian before using this product on ANY other pesticide product or drug.
SIDE EFFECTS
After applying, keep pets indoors. Check your cat for side effects such as redness from skin irritation, scratching, or other signs of discomfort. In some cases, vomiting or diarrhea have been reported from grooming after treatment. If you observe these signs or symptoms in your treated cat, contact your veterinarian. You may also contact SAFESTCALL INTERNATIONAL at 1-855-844-4375 (independent veterinarians and pharmacists on staff 24 hours 7 days per week). For Customer Service call 1-888-314-8598.
PHYSICAL OR CHEMICAL HAZARDS
CONSUMABLE: Do not use or store near heat or open flame.
STORAGE AND DISPOSAL
Do not contaminate water, food, or feed by storage and disposal.
PESTICIDE STORAGE
Keep this product in its tightly closed original container when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals.
CONTAINER DISPOSAL
Nonrefillable container. Do not reuse or refill this container. If empty, Rinse or clean or otherwise render it safe. If partly filled, Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
LIMITATION OF WARRANTY AND LIABILITY
IMPORTANT: READ BEFORE USE. Read the entire Directions for Use, Conditions of Warranties and Limitations of Liability before using this product. If these terms and conditions are not acceptable, return the unopened product container at once. By using this product, user or buyer accepts the following Disclaimers of Warranties and Limitations of Liability.
CONDITIONS: The directions for use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Ineffectiveness, injury, and other unintended consequences may result because of such factors as manner of use or application (including misuse), the presence of other materials, weather conditions, and unknown factors, all of which are beyond the control of Tru Prodigy. All such risks shall be assumed by the user or buyer.
DISCLAIMER OF WARRANTIES: To the extent consistent with applicable law, Tru Prodigy makes no other warranties, express or implied, of merchantability or of fitness for a particular purpose or otherwise, that extend beyond statements on this label.
LIMITATIONS OF LIABILITY: To the extent consistent with applicable law, neither Tru Prodigy, the manufacturer, nor the Seller shall be liable for any indirect, special, incidental or consequential damages resulting from the use, handling, application, storage, or disposal of this product. To the extent consistent with applicable law, the exclusive remedy of the user or buyer for any and all losses, injuries or damages resulting from the use, handling, application, or storage of this product, whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid.
Use these stickers to remind you when to apply and to purchase VetGuard for Cats.

The first time you treat your cat, peel off the sticker and place on your calendar that day. To remind you when the next application is due, place the other two stickers on your calendar 1 and 2 months after the first application.

Reminder: It’s time to repurchase VetGuard for Cats.
