EPA Reg. No. 82118-1-1190
EPA Ext. No. 1190-IL-001

KEEP OUT OF REACH OF CHILDREN
DANGER PELIGRO

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with plenty of water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Get medical help if symptoms persist.

IF ON CLOTHING: Take off contaminated clothing and wash before reuse. Remove any hair if present and wash.

IF SWALLOWED: Call a poison control center or doctor immediately. Do not induce vomiting. Do not give anything by mouth to an unconscious person. NOTE: GET MEDICAL HELP IF SYMPTOMS OCCUR. THROWN INTO SANITIZED SPACE OR DETERGENT BUCKET, USE GLOVES.

IF INHALED: Move to fresh air. If not improved, get medical help immediately.

IN CASE OF FIRE: Use dry chemical, CO2, or water mist extinguishers. Do not use fire extinguishers that spray large quantities of water. Use water fogging technique to cool agent on the product. Fire战斗 may be weakened by water applied in small amounts to the fire area to keep the chemical wet.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

TO CLEAN AND DEODORIZE glasses, dishes, mugs, knives, food utensils and equipment, use the following procedures:
Scrape and then presoak with SANITIZER CLEANER solution (1 oz. or 2 Tbs. per quart of water) or other detergent or compatible cleaner. Rinse in potable water.

TO SANITIZE glasses, dishes, mugs, knives, food utensils and equipment, use the following procedures:
Sanitize in SANITIZER CLEANER solution (0.75 oz. or 1.5 level Tbs. per gallon of potable water (200 ppm)). Immerse all utensils for at least two minutes of contact time specified by governing sanitary codes.

NOTE: WHEN USED ON FOOD CONTACT PROCESSING EQUIPMENT AND UTENSILS, AND ON OTHER FOOD CONTACT ARTICLES, FDA REGULATIONS REQUIRE ADEQUATE DRAINING BEFORE CONTACT WITH FOOD.

Solutions should be freshly prepared. Solutions should be tested during use to make sure the concentration does not drop below the recommended level. Keep in properly labeled containers to protect against contamination. Unused solutions should be discarded.

Note: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk and/or handling of this material, when such use and/or handling is contrary to label directions.
