PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Harmful if swallowed or absorbed through the skin, eyes or clothing. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wear eye protection, long-sleeved shirt, long pants, socks, and chemical-resistant gloves (touch as little of the product as possible). Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse. Do not contaminate water by discharging waste from or disposal of wastes.

STORAGE AND DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. PESTICIDE STORAGE: Store in a cool, dry place and in such a manner as to prevent cross-contamination with other pesticides, fertilizers, food, and feed. Store in the original container and out of the reach of children, petfood in locked storage area. Keep container closed when not in use. PESTICIDE DISPOSAL: Pesticide waste is toxic. Improper disposal or excess pesticide or spillage is illegal under Federal law. If there were errors in the disposal of label, refer to label instructions, contact your State Pesticide or Environmental Control Agency or your local hazardous waste representative at the nearest EPA Regional Office for assistance. CONTAINER HANDLING: Adhere to handling instructions. Do not raise or refill the container. GUTER POUCHES OR WATER SOLUBLE PACKETS (NSPF): Offer for recycling. If available, dispose of the empty outer full pouch in the trash as long as NOF is not taken. POUCHES are made during normal shipping, handling and storage conditions, even when exposed to freezing, and may be disposed of in specified waste facilities.

ENVIRONMENTAL HAZARDS: Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, ocean, or other waters unless in accordance with the requirement of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems operated and controlled by the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA. (Check with waste to determine if facility will accept the waste.)

IN CASE OF EMERGENCY CALL RUSTOLEUM® @ 1-800-289-7700.

EPA Reg. No.: 33276-93-06957 / EPA Est. No.: 833207-NA-101

FIRST AID: IF SWALLOWED: Call a poison control center or doctor immediately. Do not induce vomiting unless told by a poison control center or doctor. Do not give anything by an unconscious person. IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin with plenty of water for 15-20 minutes. IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses (if present), after first 5 minutes, then continue rinsing eyes. Call a poison control center or doctor if needed.

DIRECTIONS FOR USE: To treat mold, use the product in a manner consistent with its labeling. Read label before using this product. Add 1 oz product to one gallon of water. Apply to the surface area to be treated as soon as possible after the completion of any necessary sanitation and treatment as directed in the labeling. If properly stored, this product will maintain its effectiveness for 12 months. For additional effectiveness, treat the entire surface area to be treated. Do not use on any non-porous surfaces. Direct all wrong uses to a licensed or registered pest control professional. Made in U.S.A. Item No. 64011
