**TIPS FOR LAWN CARE SUCCESS**

- **Feed regularly for your best lawn**
  - Regular feedings of Scotts® Turf Builder® will help grow a lawn you and your family can enjoy. Scotts® Turf Builder® provides the nutrients your lawn needs to look its best and withstand the stresses of heat, drought, and family activity.

- **Mow your lawn high**
  - Mowing high allows the grass to develop a deep root system and helps your lawn use water more efficiently. Leave the grass clippings on your lawn. This recycles the plant nutrients back into the soil.

- **Conserve water**
  - Your lawn will begin to wither if water is needed. As much as possible take advantage of natural rain or a high-pressure spray to water your lawn.

DIRECTIONS FOR USE

- Apply product to the entire lawn when insect activity or damage is first observed.
- Spread uniformly over your lawn using the suggested spreader settings. For best results, use a Scotts® sprayer.
- Apply product to a dry lawn.
- Water-in product after application.
- Do not use any other weed, disease, or insect control products for at least one week after application.
- For best results, apply a Scotts Annual Lawn Care Program™ and allow two months between applications.

For grub control, apply Scotts® GrubEx® between late April and mid-August.

In New York State, this product may NOT be applied to any grass or turf area (lawns) within 100 feet of a water body (lake, pond, river, stream, wetland, or drainage ditch).

- Do not apply any other product to the same area within 14 days of applying Scotts® GrubEx®.
- Do not apply water to the area for at least 1 day after application.

SPREADER SETTINGS

Covers 5,000 sq. ft.
Cubre 465 metros cuadrados

This package applies 2.7 lbs. of product per 1,000 sq. ft.
Con este paquete, se aplican 1.2 kg de producto por cada
91 metros cuadrados.

- Apply header strips. Then apply product in longest direction of lawn. Then apply product in the opposite direction of lawn. Make sure spreader wheel completely overlaps previous wheel marks.
- For additional spreader settings, call 1-800-543-TURF.

- Asegúrese de que la rueda del esparcidor se superpone completamente a las marcas anteriores de ruedas. Para ajustes adicionales del esparcidor, llame al 1-800-543-TURF.

- Apply the product to the entire lawn when insect activity or damage is first observed.
- Disperse uniformly over your lawn using the suggested spreader settings. For best results, use a Scotts® sprayer.
- Apply product to a dry lawn.
- Water-in product after application.
- Do not use any other weed, disease, or insect control products for at least one week after application.
- For best results, apply a Scotts Annual Lawn Care Program™ and allow two months between applications.
- Aplique el producto a todo el césped cuando se observe la actividad de insectos o daño al césped por primera vez.
- Disperse uniformemente sobre el césped utilizando las posiciones del esparcidor sugeridas. Para mejores resultados, utilice un esparcidor Scotts®.
- Aplique el producto al césped seco.
- Riegue sobre el producto después de la aplicación.
- No utilice ningún otro producto para control de insectos, malas o enfermedades al menos durante una semana después de la aplicación del producto.
- Para obtener mejores resultados, aplique un Scotts Annual Lawn Care Program™ y deje pasar dos meses entre aplicaciones.

- Para control del gusano blanco, aplique Scotts® GrubEx® entre fines de abril y mediados de agosto.
- En el Estado de Nueva York, este producto NO puede aplicarse a ningún área de césped o tepe (jardines) a menos de 30 metros de un cuerpo de agua (lago, estanque, río, riachuelos, humedales o zanjas de drenaje).
- Será necesario repetir la aplicación de este producto una sola vez si hay señales de actividad renovada de insectos, pero no antes de dos semanas después de la primera aplicación.
- Coloque el esparcidor en la posición indicada en la tabla de abajo antes de empezar.

TURF BUILDER® SUMMERGUAARD® LAWN FOOD WITH INSECT CONTROL KILLS THESE LAWN PESTS:

EPA Reg No.279-3203-538 (SM)
Scotts Turf Builder Summerguard Lawn Food with Insect Control
Feed regularly for your best lawn
Regular feedings of Scotts® Turf Builder® will help grow a
lawn you and your family can enjoy. Scotts® Turf Builder®
provides the nutrients your lawn needs to look its best and
withstand the stresses of heat, drought, and family activity.

Mow your lawn high
Mowing high allows the grass to develop a deep root
system & helps your lawn use water more efficiently.
Leave the grass clippings on your lawn. This recycles
the plant nutrients back into the soil.

Conserve water
Your lawn will begin to wilt when water is needed. As much
as possible take advantage of nature’s sprinkler and rely
on the rain to water your lawn.

We care. Scotts® products are designed with care to grow thicker, greener
lawns. Because a green lawn is a good lawn.
A healthy lawn can clean the air,
produce oxygen and prevent runoff and soil erosion. You can make a difference.
Help keep our water resources clean. Apply this product only to your lawn,
and sweep up any product that lands in the driveway, sidewalk or street back to your lawn.
