This product has been accepted by the U.S. Department of Agriculture for use according to label directions in official Federal meat, poultry and egg producing establishments.

ACTIVE INGREDIENT:  
This product contains 4.01% d-limonene.

OTHER INGREDIENTS:  
Contains petroleum distillates.

TOTAL:  
Contains a botanically-derived insecticide.

May be used around food, humans and pets.

KILLS & REPELS:

- Ants & Fire Ants & Worker Ants
- Roaches
- Flies
- Fleas
- Mosquitoes
- Insects in Carpets

DIRECTIONS FOR USE:

- It is a violation of federal law to use this product in a manner inconsistent with its labeling.
- Restrictions: Do not spray plants, animals or food. Use caution when walking on hard floors until any applied spray has dried.

INDOORS:

Ants, Roaches & Flies: In a well-ventilated room, with nozzle pointing away from your face, spray to sufficiently wet, kill and then repel crawling ants, roaches and other listed insect pests in homes, restaurants, hospitals, schools, food processing establishments and elsewhere. Spray kitchen cabinets, drawers and closets, under sinks and into wall and floor cracks and crevices. Use in both edible and non-edible product areas of Federally-approved meat, poultry and egg producing establishments. Kill flies and mosquitos in the air and on all surfaces attracting them using the wide-spray nozzle setting. Reapply as needed.

Fleas: Before spraying, test a corner of fabric for compatibility. Hold container tilted down away from your face and, using the wide-spray nozzle position, spray with a sweeping side-to-side motion to kill adult fleas hidden in carpets, rugs, dog and cat bedding and under furniture. One gallon (3.79 liters) will kill fleas on contact over a 1,600 sq. ft. area. Reapply as needed.

OUTDOORS:

Crawling & Flying Pests: Hold container upright, spray away from your face sufficiently to wet, kill and then repel crawling ants (including fire ants), roaches, flies and mosquitos in the air and on surfaces. Thoroughly spray around windows and doors; wet ant trails on sidewalks, paths and buildings; and spray one foot on either side of these areas. Spray ground holes where ants live. Spray garbage cans, dumpsters and manure piles to kill on contact flies, roaches and ants and their eggs, larvae and pupae.

BARBEQUES & PICNICS: Control Pesky Insects Outdoors: To keep pesky insects away, lightly spray tables and outdoor furniture, BBQS, grills, paths and grass a few minutes or so before your party starts and food is served. Do not spray open flames or hot coals. Spray all surfaces you wish to keep free of flying and crawling insects. Reapply as needed.

STORAGE & DISPOSAL:

- Pesticide storage: store container in a cool dry place. 

- Product/Container Disposal: If empty: non-refillable container; do not reuse or refill this container. Clean container promptly after emptying. If partially filled: call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

FIRST AID:

- If swallowed: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

- If in eyes: Wash out with cool water; consult a physician.

- If in mouth: Wash out with cool water; consult a physician.

- If on skin: Wash with soap and water; consult a physician.

- If on clothing: Remove clothing. Wash clothing in soap and water before reuse.

- In case of contact with eyes: Wash with cool water; consult a physician.

- If inhaled: Remove to fresh air; consult a physician.

Note to physician: Contains petroleum distillates. Vomiting may cause aspiration pneumonia.

This color proof was generated on our Xerox Phaser 6250 Color Printer. It is a 4 color printer which simulates PMS colors. This proof should be used only to inspect the layout, spelling, completeness, and color separation. For actual print colors request the proof to be printed on the Epson Semigloss Printer. • PLEASE CHECK THIS PROOF IMMEDIATELY FOR APPROVAL OR CORRECTION AS THE ORDER WILL BE HELD PENDING RETURN OF THE PROOF. If the proof is correct as submitted, it should be initialed and dated. If corrections are necessary they should be clearly indicated. We are anxious to expedite your order so we urge you to give this proof immediate and careful attention. A faxed approval is acceptable. If proof is not returned within 30 days, customer will be billed for proof and art.
**KILLS & REPELS:**

- Ants & Fire Ants & Hive Ants
- Roaches
- Fleas
- Mosquitoes
- Flies
- Insects in Carpets

**MAY BE USED AROUND FOOD, HUMANS and PETS**

**ACTIVE INGREDIENT:**
- d-limonene: 6.0% by вес
- Others: 93.96%
- TOTAL: 100.00%

Contains a botanically-derived insecticide.

**DIRECTIONS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**Restrictions:** Do not spray plants, animals or food. Use caution when working on hard floors until any applied spray has dried.

**INDOORS:**

- Ants, Roaches & Flies: In a well-ventilated room, with nozzle pointing away from your face, spray to sufficiently wet, kill and then repel crawling ants, roaches and other listed insects in homes, restaurants, hospitals, schools, food processing establishments and elsewhere. Spray kitchen cabinets, drawers and closets, under sinks and into wall and floor cracks and crevices. Use in both edible and non-edible product areas of Federally-approved meat, poultry and egg producing establishments. Kill flies and mosquitos in the air and on all surfaces attracting them using the wide-spray nozzle setting. Reapply as needed.
- Fleas: Before spraying, test a corner of fabric for compatibility. Hold container tilted away from your face and, using the wide-spray nozzle position, spray with a sweeping side-to-side motion to kill adult fleas hidden in carpets, rugs, dog and cat bedding and under furniture. One pint (16 fl. oz.) will kill fleas on contact over a 200 sq. ft. area. Reapply as needed.

**OUTDOORS:**

- Crawling & Flying Pests: Hold container upright, spray away from your face sufficiently to wet, kill and then repel crawling ants (including fire ants), roaches, flies and mosquitos in the air and on surfaces. Thoroughly spray around windows and doors; wet ant trails on sidewalks, paths and buildings; and spray your foot on either side of these areas. Spray ground holes where ants live. Spray garage cars, dumpsters and manure piles to kill on contact flies, roaches and ants and their eggs, larvae and pupae.

**BARBEQUES & PICNICS:**

Control Pesky Insects Outdoors: To keep pesky insects away, lightly spray tables and outdoor furniture, BBQs, grills, paths and grass a few minutes or so before your party start and food is served. Do not spray open flames or hot coals. Spray all surfaces you wish to keep free of flying and crawling insects. Reapply as needed.

**STORAGE & DISPOSAL**

Pesticide storage: store container in a cool dry place. Product/Container Disposal: If empty: non-refillable container; do not reuse or refill this container. Clean container promptly after emptying, then offer for recycling if available; otherwise place in trash. If partly filled: call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

FIRST AID:

- If swallowed: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.
- Note to physician: Contains petroleum distillates. Vomiting may cause aspiration pneumonia.

**If exposed to pesticides:**

- Wash immediately with soap and water.
- Remove contaminated clothing and shoes.
- If eye contact occurs, flush with water for 15 minutes. If skin contact occurs, wash with soap and water.
- If ingested, do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.
