Natural Guard
Lawn Shield Insect Repellent
Natural Guard Lawn Shield Insect Repellent is a safe and effective alternative to harmful insecticides. The product is non-toxic and contains no harsh chemicals, making it safe for use around children, pets, and plants.

**PRODUCT INFORMATION**
Natural Guard Lawn Shield Insect Repellent is a safe and effective alternative to harmful insecticides. The product is non-toxic and contains no harsh chemicals, making it safe for use around children, pets, and plants.

**APPLICATION EQUIPMENT AND INSTRUCTIONS**
The product can be applied with a hose-end sprayer, pump sprayer, or backpack sprayer. For best results, apply the product evenly and thoroughly over the treated area in a single application. Before each application, follow the manufacturer's instructions for the sprayer to be used. For example, if the land area to be treated is 1,000 sq. ft., and you want to treat it with 1 gal of product, fill the sprayer at 1:10 (product to water). When using a backpack sprayer, fill the sprayer at 1:10 (product to water).

**PRECAUTIONARY STATEMENTS**
**CAUTION:** Avoid getting in eyes. Avoid breathing dust. This product is not for poultry; some individuals may be sensitive to this fragrance.

**FIRST AID**
If inhaled: Get fresh air; consult physician for advice and treatment. If swallowed: Do not induce vomiting. Get medical attention.

**STORAGE AND DISPOSAL**

**LIMITATION OF LIABILITY**
Voluntary Purchasing Groups, Inc. disclaims any responsibility for liabilties incurred by the user as a result of adoption of this product. The product has not been registered under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA) (3524) as a maximum residue pesticide. All ingredients contained in this formulation are contained in 49 CFR 172.855, as well as list 42 of the FIFRA Pesticide.
