Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. For any requirements specific to your State or Tribe, consult the agency responsible for pesticide regulation. Read this label and the product package label before using this product. This Supplemental Label must be in the possession of the user at the time of pesticide application. Follow all applicable directions, restrictions, Worker Protection Standard requirements, and precautions on the product label for CHIPCO® SIGNATURE Fungicide attached to the container.

USE DIRECTIONS FOR SPECIFIC CROPS

Bacterial Wilt

Chipco Signature is prescribed for the alleviation of symptoms on golf course greens affected with bacterial wilt. Apply 8 oz of Chipco Signature in 2 to 4 gallon of water / 1000 square feet at an interval of 7 to 14 days depending on severity of the outbreak. Use the more frequent interval when severe symptoms appear.
