Repels Mosquitoes, Ticks, Biting Flies, Gnats, No-see-ums, Chiggers, and Fleas.

STOP. Read and follow all directions and precautions on this product label.

DIRECTIONS FOR USE

• It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For outdoor use only.
• Do not use on enclosed prey. Nest container up to 4-8 inches from skin or clothing and spray with a sweeping motion. Slightly moisten skin. Use just enough repellent to cover exposed skin and clothing. Do not use under clothing. Do not apply directly to skin. Tone on hands first, and then apply sparingly to face, ears, and mouth. Do not apply near eyes or mouth.
• Apply sparingly all over, around ears, and on the neck. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Avoid any application of this product. After applying outdoor, wash treated skin with soap and water. Wash treated clothing before wearing it again. Wash treated skin immediately if sensitive skin occurs. If you suspect a reaction to the product, discontinue use, and wash treated skin and call your local Poison Control Center. Take the product container with you when you go to a doctor.

STORAGE AND DISPOSAL

Pesticide Storage:
Store in a cool, dry place, out of reach of children.

Container Disposal:
Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available.

If partly filled:
Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals
• WARNING. Causes substantial but temporary eye injury if swallowed. Do not get in eyes. Use of this product may cause skin reactions in rare cases. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash treated clothing before use.

First Aid
• In Eyes: Hold open eye and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a Poison Control Center or doctor for treatment advice.

• In Mouth: Call a Poison Control Center or doctor for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

IF YOU SUSPECT A REACTION TO THIS PRODUCT:
Discontinue use. Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice. 

Physical or Chemical Hazards
Combustible.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
