STORAGE AND DISPOSAL

Precautionary Statements

Hazard to Humans and Domestic Animals

CAUTION

Harmful if swallowed. Avoid contact with eyes, skin, or clothing. Avoid contamination of food. Wash hands with soap and water after use.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply to any body of water. Do not contaminate water when disposing of equipment washwaters.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Not for use on horses intended for human consumption. Shake well before using. Avoid contact with eyes or mucous membranes. Harmful if swallowed. Avoid contamination of food.

To protect horses and ponies from Horse Flies, House Flies, Stable Flies, Face Flies, Horn Flies, Deer Flies, Gnats, Mosquitoes (Culex spp): Thoroughly brush the horse’s coat prior to application to remove loose dirt and debris from dirty horses, shampoo and rinse thoroughly. Wait until the coat is completely dry before applying this product. Trigger is sweat- and weather-resistant, so it keeps working when the horse sweats, and after rainfall.

Spray or Wipe Application: Application should be liberal for best results. For horse’s face, always apply as a wipe using a piece of clean, absorbent cloth, wiping (Turkish) or sponge. Avoid getting spray into horse’s eyes, nose or mouth. Wear rubber glove or mitt when applying as a wipe. Spray or wipe horse’s entire body while brushing against the lay of the coat to insure adequate coverage.

Reapply every 14 days for control under normal conditions for initial applications. As protection builds, reapply every 14-17 days. Reapply every 5 to 7 days for mosquito repellency. Also, reapply each time brushing against the lay of the coat to insure adequate coverage.

FIRST AID

IF IN EYES:
• Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
• Call a poison control center or doctor immediately for treatment advice.

IF ON SKIN OR CLOTHING:
• Take all contaminated clothing.
• Rinse skin immediately with plenty of water for 15-20 minutes.
• Call a poison control center or doctor immediately for treatment advice.

IF INHALED:
• Move person to fresh air.
• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.
• Call a poison control center or doctor immediately for treatment advice.

STORAGE AND DISPOSAL

Container Disposal: If empty - Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available. If recycling is not available: then dispose of container in a sanitary landfill or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

If partly filled: Call your local solid waste agency for disposal instructions. Unless otherwise instructed, place in trash. Never pour unused product down the drain or on the ground.

STORAGE AND DISPOSAL (CONTINUED)

Pesticide Storage and Spill Procedures: Store upright at room temperature. Avoid exposure to extreme temperatures. Store in a locked area out of reach of children and domestic animals. In case of spillage or leakages, soak up with an absorbent material such as sand, sawdust, earth, Fuller’s earth, etc. Dispose of with chemical waste.

Pesticide Disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spilled bait, or rinse water is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for Guidance.

NOTE: Buyer assumes all risk of use, storage or handling of this product not in strict accordance with directions given herein.
