PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals
Harmful if swallowed, inhaled or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Avoid breathing vapor or spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

Personal Protection Equipment (PPE):
Some materials that are chemical-resistant to this product are listed below. If you want more options, follow the instructions for category A on an EPA chemical resistance category selection sheet.
Applicator and other handlers must wear: long-sleeved shirt, long pants, shoes, socks, protective eyewear (goggles or face shield) and chemical-resistant glove made of any waterproof material, such as polyvinyl chloride, nitrile rubber or butyl rubber.
For re-entry into treated areas during application and prior to ventilation or settling of aerosol fog, workers must wear coveralls over all sleeves and legs, long pants, shoes, socks and chemical resistant gloves made of any waterproof material such as polyvinyl chloride, nitrile rubber or butyl rubber, face sealing goggles unless a full-face respirator is worn, and a diaphragm approved respirator with an organic vapor (DV) cartridge or canister with any P, R, or HE prefilter.

Environmental Hazards
Do not apply directly to water, to areas where water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment wash waters.

DIRECTIONS FOR USE:
For Potato Sprout Inhibition
Decco Aerosol 100 can be applied anytime after potatoes are stored. Initial and following application doses of Decco Aerosol 100 vary to the potato variety, sprout growth stage, storage temperature, and storage length and storage design.

Decco Aerosol 100 is designed for use as an aerosol through Forced Air Distribution System. The application is usually performed by licensed applicators. Contact your local applicator for additional information. A typical application rate is 1 gallon of Aerosol 100 per CWT of ton of potatoes

Silver Scurf (Helminthosporium solani) Control in Storage
High initial dose of 130ppm or above may be required to eliminate Silver Scurf spores. Rates will depend on factors discussed under sprout inhibition. Applications for Silver Scurf control should be made after the storage has been filled and the cooling process has started. Additional applications may be required if the potatoes are disturbed.

- If entry into the storage area is necessary during or immediately following application before the fog has settled, protective clothing and respirators must be worn.
- Do not apply in the field.
- Do not use on seed potatoes.
- Do not allow vapors to come in contact with, or get near to, storage areas used for seed potatoes.
- Let sufficient time to elapse before using treatment storage area for seed potatoes. All system components (including ducts) and building must be thoroughly cleaned and free of clove oil residue before areas are used for storage of seed potatoes.
- Decco 100 might prevent periderm formation of potatoes, therefore it should be used only after wounds have healed completely.

STORAGE AND DISPOSAL
STORAGE: Keep container closed. Do not contaminate water, food or feed by storage or disposal. This product inhibits germination of seed potatoes.
CONTAINER DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) during cleaning and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC website at www.acrecycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

IMPORTANT INFORMATION
READ BEFORE USING PRODUCT

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY
NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms of the warranty are not acceptable, return the product at once, unopened, and the purchase price will be refunded. It is impossible to eliminate all risks associated with the use of this product. All such risks shall be assumed by Buyer and User. Buyer and User agree to hold Decco US Post-Harvest, Inc. harmless from any claims relating to such factors.

TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, DECCO US POST-HARVEST INC. MAKES NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ON THIS LABEL.

To the extent consistent with applicable law, Decco US Post-Harvest, Inc. shall not be liable for any incidental, consequential, indirect, or special damages resulting from the use or handling of this product and THE EXCLUSIVE REMEDY OF THE USER OR BUYER, AND THE EXCLUSIVE LIABILITY OF DECCO US POST-HARVEST, INC. FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF DECCO US POST-HARVEST, INC., THE REPLACEMENT OF THE PRODUCT.

Decco US Post-Harvest, Inc. offers this product, and Buyer and User accept it, subject to the foregoing conditions of sale and limitations of warranty and liability, which may not be modified except by written agreement signed by the duly authorized representative of Decco US Post-Harvest, Inc.
