IMPORTANT! READ ENTIRE LABEL BEFORE EACH USE.
USE ONLY ON CATS OR KITTENS (12 WEEKS OF AGE OR OLDER).
DO NOT USE ON OTHER ANIMALS.

SHAKE WELL BEFORE USING.

FOR FLEAS:
A light, even coverage of the hair coat will provide effective flea control. Do not allow spray from application or damp spray to come into contact with painted or finished surfaces, including wood flooring, furniture, linens, materials, or other surfaces of concern. For best results, irritate the flea while spraying against the natural lay of the fur. Cover cat/kitten’s eyes with hand. With a firm, fast stroke, spray head, ears, and chest. If you see a tick, spray it directly. With cloth, ruffle the coat while spraying against the natural lay of the fur. Cover cat/kitten’s eyes with hand. With a firm, fast stroke, spray head, ears, and chest. For all cats/kittens, spray until damp, not saturated. Do not allow ingested food to become chilled. If your cat/kitten becomes reinfested with adult fleas or ticks, Adams™ Flea & Tick Spray for Cats may be reapplied every two weeks after the initial application. Continue treatments for prevention of flea infestation.

TREATMENT DOSAGE: Treatment dosage is based on pet weight, weigh pet before treatment. Note that the labeled dose is about 4 squeezes of the trigger sprayer per pound of body weight. In all cases, spray the coat is damp, not saturated. Adams™ Flea & Tick Spray for Cats is most effective when used as part of a total flea and tick management program. Use other Adams™ products registered for residential premise control (carpets, upholstery and pet bedding) in conjunction with this treatment. Monthly premise treatments are required for optimal control and prevention of fleas.

The successive feeding activity of flea on pets may elicit a hypersensitivity skin disorder known as flea allergy dermatitis (FAD). Treatment of cats with Adams™ Flea & Tick Spray for Cats may be answered to reduce the incidence of this condition.

STORAGE and DISPOSAL:
Pesticide Storage: Do not store near heat or open flame. Keep this product in its tightly closed original container, when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals.

Container Disposal: Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS – CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Repeated exposure to etofenprox can cause skin irritation.

HAZARDS TO ANIMALS - CAUTION: Do not use on kittens less than 12 weeks of age. For external use only. Consult a veterinarian before using this product on debilitated, aged, pregnant, nursing, or animals on medication.

SENSITIVITY may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. In some cases, excessive salivation and ear and paw flicking may occur; however, these effects are temporary and not harmful.

FIRST AID
If in eyes: • Call a poison control center or doctor for treatment advice. • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

If on skin: • Wash off with soap and water. If irritation persists, consult a veterinarian.

PHYSICAL HAZARDS: Combustible. Do not use or store near heat or open flame.

WARRANTY AND CONDITIONS OF SALE:
Seller warrants that this product conforms to the chemical specifications expressed on the label. If the end product is not consistent with applicable use, Seller reserves the right to make any changes or modifications to the product or this label to conform with applicable use. Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent permitted by applicable law, Seller's liability for default, breach of contract under this label shall be limited to the amount of the purchase price. To the extent permissible with applicable law, seller shall have no liability for consequential damages.

For additional information on the pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 800-234-2269, 24 hours per day, 7 days per week.
