**For Dogs and Puppies**

### Directions for Use

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Refer to package insert for complete Directions for Use.

**Restrictions**

- Do not allow children to apply product. To prevent harm to you and your dog, read entire label and directions before each use. Follow all directions and precautionary statements carefully.
- Use on Dogs only. Do not use on dogs (male or female) intended for breeding, or on dogs that are pregnant, nursing (mother or female) intended for breeding, or on other animals. Do not apply more than once per month.
- Do not have contact or allow children to have contact with treated area until it is completely dry.
- Do not allow your dog to ingest this product.

For external use on dogs and puppies only. Do not use on dogs or puppies under 8 weeks of age and weighing less than 4 lb.

### Hazards to Domestic Animals

For external use on dogs and puppies only. Do not use on puppies under 8 weeks of age. Consult a veterinarian before using this product on debilitated, aged, and medicated animals. Do not use on pregnant or nursing animals. Individual sensitivities, while rare, may occur after using any pestcide product. If signs of sensitivity occur, discontinue use and consult a veterinarian immediately. Certain medications can interact with pesticides.

Consult a veterinarian before using on medicated animals.

### Do not use on cats.

May be fatal.

Accidental application to cats and/or grooming a recently treated dog may result in tremors and/or uncoordinated muscle movements. If this occurs, immediate veterinary care should be provided. Cats which actively groom or engage in close physical contact with recently treated dogs may be at risk of serious harmful effect.

### Physical or Chemical Hazards

Flammable. Keep away from heat and open flame.

### Storage and Disposal

- Pesticide Storage: Store in a cool, dry, place inaccessible to children and pets.
- Pesticide Disposal and Container Handling: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: call your local solid waste agency for disposal instructions. Never place unused products down any indoor or outdoor drain.

### Side Effects

Monitor your dog after application. Side effects may include signs of skin irritation, such as redness, scratching, or other signs of discomfort. Individual sensitivities, while rare, may occur after using any pesticide product. Contact a veterinarian immediately.

### Hot Line Number

If you have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact the Rocky Mountain Poison Center at 1-303-595-4869 for emergency medical treatment information.

### First Aid

- **If in Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
- **If On Skin:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
- **If Swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor.
