do-it ALL™ Brand

This product has been designed specifically for homes, institutions, offices, schools, motels and hotels. When used as directed, this product is formulated to disinfect eliminate hard surfaces such as walls, sinks, toilets, tubs, counters, telephones, bathtubs, shower stalls, bath rugs, cabinets and linings. In addition, this product is effective in areas which generally cannot be reached or kept clean by normal washing such as baggage storage areas, empty garbage and waste bins, and areas that are prone to causes by microorganisms. When used as directed, this product demonstrates effective disinfection against Staphylococcus aureus, MRSA, Salmonella enteritidae, Pseudomonas aeruginosa, Canine Parvovirus, Herpes Simplex Virus Type 1 & 2, and Listeria and Norovirus.

Disinfectant • Cleaner • Deodorizer

Foaming Germicidal Cleaner
