Kills bacteria®, viruses® and fungi®
cleans, sanitizes and deodorizes surfaces

Net Contents:
32 fl. oz. (946ml)

Kills bacteria®, viruses® and fungi®
cleans, sanitizes and deodorizes surfaces
DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

To Clean: Wet the surface with the spray and wipe clean.

To Sanitize†/ Deodorize: To sanitize hard, non-porous, non-food-contact surfaces, spray 6-8 inches from surface until thoroughly wet. Let stand for 15 seconds. Wipe dry. No rinsing required. Remove heavy soil prior to sanitization.

To Disinfect‡: To disinfect hard, non-porous surfaces, spray 6-8 inches from surface until thoroughly wet. Let stand for 5 minutes. Wipe dry. No rinsing required. To disinfect Norovirus, let stand for 6 minutes. Remove heavy soil prior to disinfection.

Fabric Sanitizer◊: To control bacteria on fabrics. Not recommended for use on fabrics that may water-spot such as silk, suede or leather. Always test a small inconspicuous area before use. Spray a light even coating on fabric until wet. DO NOT SATURATE. Fabric must remain wet for 30 seconds. Let air dry.

This product is not to be used as a terminal sterilant/high level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high level disinfection.

Use of this product on a floor or flooring surface is not recommended and may cause a slipping hazard.

This product contains Hydrogen Peroxide, which may cause temporary skin whitening after prolonged contact. Wash hands with soap and water.

Intended for:
Hospital, Institutional & Commercial use

* Effectiveness may vary with environmental factors and usage. † Requires at least 15 minutes of contact time. ◊ For use on clothing and fabric.
Use Sites:
May be used on hard non-porous surfaces of:
appliance exteriors, autos, break rooms, cabinets,
cabinets, tables, carts, cell phones, chairs, computers, copiers,
counter tops, desks, drainpipes, exercise equipment, exam tables,
hand rails, toilets, infant incubators and care cribs, IV poles,
keyboards, lift devices, medical carts, microwave ovens, coffee makers,
phlebotomy trays, phones, PVC tubing, rehabilitation equipment, stool 
doors, stethoscopes, stretchers, bathrooms, faucets, toilet seats, trash cans, TV remotes,
lamp switch panels, showers, hampers, vanities, washable walls, and wheelchairs.

Hard non-porous external surfaces of: ambulance equipment, diagnostic equipment,
dialysis machines, mammography equipment, patient monitoring equipment, respiratory 
equipment, ultrasound transducers and probes, patient support and delivery equipment.
Soft Surfaces: curtains, fabric chairs, mattresses, partitions, pillows and rugs.

This product is compatible with aluminum, acrylic, brass, ceramic, copper, glazed porcelain,
granite, laminate flooring, LCD screens, Luxe, multi, painted surfaces, poly carbonate,
polypropylene, polyurethane varnish, PVC, silicone rubber, stainless steel, medical tubing, vinyl, vinyl 
rubber, zinc alloy and similar hard, nonporous surfaces.

PRECAUTIONARY STATEMENTS:
Hazard to Humans and Domestic Animals

WARNING: Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Avoid contact
with eyes. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum,
using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

FIRST AID:
IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove 
contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center
or doctor for treatment advice. HOTLINE NUMBER 1-888-346-4652. Have the product container or label
with you when calling a poison control center or doctor, or going for treatment.

STORAGE AND DISPOSAL: Store in areas inaccessible to children.

CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill empty container. Recycle empty
container or discard in trash.

PHYSICAL AND CHEMICAL HAZARDS: This product contains an oxidizing agent.
