Kills and repels fleas & mosquitoes.
Safe & effective.

Be Flea Free™ Spray is a natural spray that kills fleas on contact. It also repels fleas with natural peppermint, clove, cedar, & rosemary oils. It really works! Be Flea Free™ Spray is safe enough for sensitive skin. Also available as Be Flea Free™ Shampoo. Fresh invigorating cinnamon scent.

For dogs over 12 weeks old. For external use only. Avoid contact with pet's eyes.
Safe to use with topical flea & tick medications.

Directions for Use
Spray your pet holding the nozzle a foot away. Start spraying your pet at the tail first and then continue spraying the rest of the body including the legs and stomach area. While wearing gloves, use your hand to comb through your pet's coat so that the spray reaches the skin. To apply to your pet's face, spray first on a washcloth and then apply. Do not spray directly in your pet's face, eyes or genitals. Repeat as necessary. For use on dogs and puppies.
