**PRECAUTIONARY STATEMENTS**

**CAUTION:** KEEP OUT OF REACH OF CHILDREN

**PRODUCT:** Multi-Surface Cleaner

**COUNTRY:** US

**SIZE:** 28 OZ

**UPC:** X

**BACKGROUND:** Lavender Breeze

**Hazard:** Scent

**Hazards to Humans and Domestic Animals:**
- Pre-clean surface. Dilute 1 oz. (2 OZ.) of product in 1 gal. (3.78 L.) of water. Apply to surface with cloth, sponge, mop or trigger spray until thoroughly wet. Wipe with a clean cloth, sponge or mop.
- To Sanitize / Disinfect:
  - For surface disinfection, apply by spray, cloth, sponge, mop, or brush onto dry, clean, hard, non-porous surfaces. Leave for 10 minutes before wiping. Rinse all food contact surfaces with water after use. To Sanitize / Disinfect on painted surfaces:
  - Test a small, inconspicuous area first. Rinse bathtub / shower surfaces with water after using product.
- Use with 15 oz. of warm water. Apply to surface with cloth, sponge, mop or trigger spray until thoroughly wet.
- To Sanitize / Disinfect:
  - Use full strength or dilute ¼ cup (2 OZ.) per gallon of warm water. Apply to surface with cloth, sponge, mop or trigger spray until thoroughly wet. Wipe with a clean cloth, sponge, or mop.
- Use at full strength and rinse.

**STORAGE AND DISPOSAL:**
- Store in areas inaccessible to small children. Keep securely closed.
- Do not use in or on food areas.
- Do not freeze. If product contains alcohol, do not store near open flames, turn in or near cooking area, or near heating element.
- Do not mix with other household chemicals, such as bleach or ammonia, unless specifically directed.
- Use only in areas where ventilation is adequate. Discharge into sewers may cause damage to septic systems and sewer pipes.
- Pour down the drain. Do not pour down drain or dispose of in any other manner. Do not incinerate. Rinse container after use. Do not use near open flames.

**FIRST AID**

- If in eyes:
  - Remove contact lenses, if present, after the first 5 minutes. Then continue rinsing eye at least 15 minutes. Contact a Poison Control Center or doctor for treatment advice.
- If on skin:
  - Remove clothing or gloves, if wet. If skin irritation persists for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

**CONTACT NUMBER:**
- Questions? Comments? 1-800-228-4722

**Hazard:**
- Respiratory Syncytial Virus on hard, non-porous surfaces in 10 minutes.
- Salmonella enterica, Streptococcus pyogenes, Rotavirus WA and Norovirus.
- **Kills Escherichia coli O157:H7, Listeria monocytogenes, Salmonella enterica, Streptococcus pyogenes, Rotavirus WA and Norovirus**
- **Cuts Tough Grease and Grime**
