[2 REFILLS @ 1.2 OZ. (28 g) EACH]
INSECT REPELLENT REFILLS

- Repels mosquitoes, ticks, and biting flies.
- Odorless, non-greasy formula.
- Repels mosquitoes that may carry West Nile Virus.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS — WARNING: Causes substantial but temporary eye injury. Do not get in eyes. Use of this product may cause reactions in rare cases. Wash thoroughly with soap and water after handling. Remove and wash contaminated clothing before reuse.

FIRST AID: Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

- If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

PHYSICAL & CHEMICAL HAZARDS: FLAMMABLE. Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label.

To insert repellent refill:

1. Remove one insect repellent refill from its packaging and remove the dust cap.
2. Squeeze tabs to remove the top of the carabiner case.
3. Place refill into the bottom of case.
4. Reattach the carabiner to the bottom of the case.
5. Clip the carabiner to your belt, pants/shorts, waistband, backpack, gear, or store in any other convenient location.

When Applying Repellent: Hold container 6 to 8 inches from skin and spray with a slow sweeping motion. Do not apply over cuts, wounds, irritated or sunburned skin. Do not spray in enclosed areas. Use just enough repellent to cover exposed skin. Do not use under clothing. Avoid over-application of this product. For continued insect protection, reapply as effectiveness diminishes, but not to exceed two applications per day. Frequent reapplication and saturation are unnecessary. Apply sparingly around ears. When using on children, apply to your own hands and then put it on the child. Do not apply to children’s hands. Do not allow children to handle this product. After returning indoors, wash treated skin with soap and water. FOR MAXIMUM PROTECTION, spread evenly with hands to moisten all exposed skin. TO APPLY TO FACE: Spray palm of hand first and then apply sparingly and avoid eyes. Do not spray directly onto face. Do not apply near eyes and mouth.

STORAGE AND DISPOSAL

STORAGE: Store in a cool dry place away from heat or flame in an area inaccessible to children.

DISPOSAL: Before disposing, empty the container by using the product according to the label. Do not reuse this container. Place in trash or offer for recycling if available.

If partially filled: Call your local solid waste agency or 1-800-529-3394 for disposal instructions. Never place unused product down any indoor or outdoor drain.
