ZINSSER
QUALITY SINCE 1849

MOLD KILLING PRIMER
Kills Existing Mold, Mildew, and Odor Causing Bacteria

Paint directly over existing mold, mildew, odor causing bacteria and any other fungal organisms*

KEEP OUT OF REACH OF CHILDREN
DANGER

Binds chalky siding, masonry, & metal
Great for use under wallcovering

Active Ingredients:
- 3-isoo-2-propynylylimidazolidone (0.0063%)
- Inert Ingredients (99.9937%)

TOTAL: 100.0000%

This product is 0.13% of 3-Isopo-2-propynylylimidazolidone per gallon.

EPA Reg. No. 87469-1-68587  EPA Est. No. 69587-NJ-002

INTERIOR/EXTERIOR
DANGER: Read carefully other cautions on back panel

Water-Base • White

BEFORE

AFTER

ONE GALLON (3.78 L)
STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage: Store in original, tightly closed containers below 30 °C (86 °F) and above 0 °C (32 °F) in a secure area inaccessible to children and away from food or feed.

Pesticide Disposal: Pesticide residues are acutely hazardous. Improper disposal of excess pesticide, empty container or mistainer is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representatives at the nearest EPA Regional Office for guidance.

For Residential Use

Container Handling: Nonrefillable container. Do not reuse or refill this container. Securely wrap original container in several layers of newspaper and discard in trash or offer for recycling if available.

Nonrefillable Use (Containers larger than 5 gallons)

Container Disposal: Nonrefillable containers. Do not reuse or refill this container. Triple rinse or pressure rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mixing tank. Fill the container 1/4 full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on end and roll five more times. Turn the container over onto its other end and tip it back and forth several times. Dispose of mistainer as pesticide waste. Repeat this procedure two more times. Then offer for recycling if available or puncture and dispose of in a sanitary landfill, or by incineration.

In case of emergency: Call 800-535-5933. Have the product container/label with you when calling Poison Control Center, doctor or going for treatment.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive. Causes irreversible eye damage. Do not get in eyes or on clothing. Wear protective goggles or face shield. Harmful if swallowed, absorbed through the skin or inhaled. Avoid breathing spray mist. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothes before reuse. When applying with a sprayer, wear a dust/mist filtering respirator (N95/NT95/NIOSH approved mask). An N95/NT95/NIOSH approved respirator with an R/P/N or HE filter.

USER SAFETY REQUIREMENTS

Users must wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Users must remove clothing immediately after getting a product inside. Wash thoroughly and put on cleaning clothing. Users must remove personal protective equipment immediately after handling this product. Wash outside of gloves before removing. As soon as possible wash thoroughly.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other water unless in accord with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

LIMITED WARRANTY: This product will perform as claimed if applied according to our directions. The directions apply to most applications, but may not cover special conditions, applications, techniques and/or surfaces. If you have questions, check with your dealer or contact Rust-Oleum Corporation, Vernon Hills, IL. Warranty is limited to replacement or refundable value of product actually used if such product proves defective within ten years of manufacture. No other warranty is expressed or implied.

DIRECTIONS FOR USE

Do not use on wood, metal, glass, or plastic. Read label before use.

Preclearance: Use on a pre-1978 surface that is lead-based paint. Use only with lead-based test kit.

PRECAUTIONS: Route of Entry: Inhaled, Skin, and Eye.

Inhalation: NIOSH/OSHA permissible time: I for all individuals who do not have respiratory diseases.

Skin: Use gloves and eye protection.

Eye: Use safety glasses or goggles.

Health & Safety: Caution: Use of this product may cause respiratory irritation, eye irritation, dermatitis, and allergic reactions.

Storage: Store in original, tightly closed containers below 30 °C (86 °F) and above 0 °C (32 °F) in a secure area inaccessible to children and away from food or feed. Do not contaminate water, food, or feed by storage and disposal.
