Formulated with picaridin • Works on clothing too! Spray socks, cuffs, hats and other clothing openings. Will not damage cotton, wool, nylon, acetate or spandex. • Repels deer ticks that may carry Lyme disease

STOP. Read and follow all directions and precautions on this product label.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
Hold 4-6 inches from skin while spraying, keeping nozzle pointed away from face. Slightly moisten skin. Apply sparingly around ears. When using on children, apply to your own hands and then put it on the child. Use just enough repellent to cover exposed skin. Avoid overapplication of this product. Do not use more than three times per day. Do not spray in enclosed areas. Do not use near face, spray on hands first and then apply sparingly to avoid eyes. Do not apply directly onto face. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. WHEN USING PRODUCT ON CHILDREN: Do not apply to their hands. To apply to child’s face and neck, spray the product into your hands and then apply to the child. Take care to avoid mouth and eyes, and apply sparingly around their ears. Do not allow children to handle the product.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store the product in a cool, dry place, out of reach of children.

CONTAINER DISPOSAL:
If empty: Call a Poison Control Center or doctor for treatment advice.
Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.
Hotline Number: In case of an emergency, call 1-888-880-1181.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Use of this product may cause skin reactions in rare cases.

PHYSICAL OR CHEMICAL HAZARDS
FLAMMABLE. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130ºF may cause bursting.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
