FIRST AID

IF INHALED:
- *If person is not breathing, call 9-1-1 or other emergency number immediately. If breathing is not possible, give artificial respiration.*
- Call poison control center or doctor for further treatment advice.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION

 Harmful if inhaled. Avoid breathing spray mist. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when wind is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Film or application equipment over the treated area will help avoid runoff to water bodies or drainage systems.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Use only as directed on this label. Not for indoor or residential use.

READ THE LABEL FIRST!

WHEN TO USE

- For best results, treat prior to fall disease development or at the first sign of fall disease infection.
- Repeat at 7-day intervals or as needed.
- Whenever environmental conditions favor rapid disease development (high humidity, excessive rain, extreme moisture condition, etc.), spray more often.

WHERE TO USE:

VEGETABLES, FRUITS, NUTS, FLOWERS, FOLIAGE, TREES, AND SHRUBS

ORNAMENTALS, TREES, FOLIAGE, SHRUBS, FLOWERS, FLOWERING PLANTS, TROPICAL PLANTS:

Some pests can cause phytotoxicity effects ranging from slight burning or brownning of leaves to distorted leaves, fruit, flowers or stems. Damage symptoms may vary with the type of plant that has been treated. It is impossible to test all plants for phytotoxicity. To ensure that the plans to be treated are not sensitive to the treatment, apply a small amount of the highest application rate of the product to a few leaves or the above ground portion of a plant and check within 3 days for signs of phytotoxicity. Use product according to label directions.
