**CAUSES MODERATE EYE IRRITATION**

**HAZARDOUS IF SWALLOWED**

Avoid contact with eyes or clothing. Wear protective eyewear. Wear long-sleeved shirt and long pants, socks and shoes. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse.

### ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

### CONTAINER DISPOSAL

Nonrefillable Container: Do not reuse or refill this container. Triple rinse and pressure rinse container (or equivalent) promptly after emptying. Then offer for recycling, if available, or puncture and dispose of in a sanitary landfill, or burned, stay out of smoke. For guidance contact your Recycling or Environmental Control Agency or the Hazardous Waste Disposal Section of the EPA.

### DIRECTIONS FOR USE

1. **For Odor Control and Preservation of Coatings, Films, Fibers and Pet Litter**

   **CAUTION FIRST AID**

   **IF IN EYES:**
   - Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.
   - Call a poison control center or doctor for treatment advice.

   **IF SWALLOWED:**
   - Do not give anything by mouth to an unconscious person.
   - Probable mucosal damage may contraindicate the use of gastric lavage. Have the product container or label with you when calling a poison control center or doctor, or continue rinsing.
   - Avoid contact with eyes or clothing. Wear protective eyewear. Have person sip a glass of water if able to swallow.

   **CAUTION**

   **HAZARDOUS IF INHALED**

   Avoid breathing dust or mist. Avoid contact with eyes or clothing. Wear protective eyewear.

   **HAZARDOUS IF SWALLOWED**

   Do not contaminate water, food or feed by storage or disposal.

   **PESTICIDE DISPOSAL**

   Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or mixtures is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

   **Other**

   **NOTICE:**

   Notice: Seller warrants that the product conforms to its chemical description as contained on this label and is reasonably fit for the purposes stated on this label when used in accordance with the directions under normal conditions of use. THE WARRANTIES MADE IN THIS PARAGRAPH ARE THE SELLER’S SOLE WARRANTIES AND ARE MADE EXPRESSLY IN LIEU OF AND EXCLUDE ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE AND ALL OTHER EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES.

---

**PESTICIDE STORAGE**

Do not allow to freeze.

**STORAGE AND DISPOSAL**

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE DISPOSAL**

Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or mixtures is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

### NOTABLE INFORMATION

**SILVADUR™ 930 Antimicrobial** is a long-lasting antimicrobial preservative for industrial and household products. When incorporated into materials during the manufacturing process it helps prevent antimicrobial activity and prevents the growth of bacteria, mold and mildew that may cause unpleasant odors, discoloration, or deterioration of the treated product.

**COATINGS AND FILMS**

Not registered for this use in the State of California

Non-food contact uses in industrial and household products such as, water-based paints and coatings, paper and wood coatings, papers used for architectural product finishes, and special purpose coatings, including polystyrene coatings. Dose SILVADUR™ 930 Antimicrobial to deliver approx. 0.5 to 700 ppm of silver (this corresponds to approx. 0.51% to 71.4% by weight of product as supplied in the coating formulation).

**PET LITTER**

Not registered for this use in the State of California

Non-food contact uses in pet litter. Dose SILVADUR™ 930 Antimicrobial to deliver approx. 0 to 100 ppm of silver in the litter (this corresponds to approx. 0.51% to 15.25% by weight of product as supplied in the litter formulation).

**FIBERS**

Non-food contact uses in industrial and household woven and non-woven fibers such as bedding, apparel, livestock, wall and floor coverings, carpets, draperies, wiping cloths, bandages, sterilization, tent, and tarps. Dose SILVADUR™ 930 Antimicrobial to deliver approx. 5 to 700 ppm of silver in the fiber (this corresponds to approx. 0.51% to 71.4% by weight of product as supplied in textiles).
