FREQ WATER developed VANISH using cutting edge technology by combining nature and science to create a 100% natural solution for powdery mildew.

Directions for use: VANISH will control and kill powdery mildew on contact at any stage of plant life. Frequently SHAKE WELL and spray VANISH on the tops and bottoms of leaves, saturating entire plant, which is essential for effective results. One gallon of VANISH treats about an 8x8 sq.ft area of plants 4ft high. Reduce humidity and increase airflow. Spray as frequently as needed.

PRECAUTIONARY: Avoid eyes and skin. May cause irritation. Protective eyewear suggested. FIRST AID: in case of eye contact, immediately flush eyes with plenty of water for at least 15 minutes. In case of skin contact, wash with soap and water. Get medical attention if skin or eye irritation persists. STORAGE AND DISPOSAL: Do not store near heat or open flame. Store in original container only. Do not reuse container, if empty. Place in trash or offer for recycling. CAUTION: Keep out of reach of children.

DO NOT DILUTE, VANISH is READY TO USE

Active Ingredients
- Castor Oil: 0.1%
- Thyme Oil: 0.08%
- Mint Oil: 0.08%

Inert Ingredients
- Water: 99.54%
- Soap: 0.2%

Total: 100%

Exempt from EPA registration under FIFRA Section 25(b).
