ACTIVE INGREDIENT:
Poly (oxyethylene (dimethyliminio) ethylene (dimethyliminio) ethylene dichloride)........ 30.0%
OTHER INGREDIENTS........................................ 70.0%
TOTAL ...................................................... 100.0%

NET 1 GAL (128 FL OZ) 3.78 L

KEEP OUT OF REACH OF CHILDREN
CAUTION
See back panel for First Aid statement and other precautions
DIRECTIONS FOR USE:
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

AQUA GUARD™ GREEN ALGAECIDE is used to control the growth of algae in swimming pools, exterior spas, whirlpools, hot tubs, decorative fountains and ponds that do not contain fish. For maximum effectiveness: Clean heavy growth of algae prior to using AQUA GUARD™ GREEN ALGAECIDE in pools, spas, whirlpools, hot tubs, decorative fountains and ponds that do not contain fish.

TO CLOSE POOL FOR WINTER: Add 23.5 to 36.4 fluid ounces of AQUA GUARD™ GREEN ALGAECIDE per 10,000 gallons. Operate the pump system 4-8 hours (minimum) after application.

FOR POOLS HAVING JUST VISIBLE ALGAE GROWTH: Add an initial dose of 23.5 to 36.4 fluid ounces of AQUA GUARD™ GREEN ALGAECIDE per 10,000 gallons of water and remove settled algae debris by cleaning. For treatment of freshly cleaned and filled pool add initially 12.8 to 23.5 fluid ounces of AQUA GUARD™ GREEN ALGAECIDE per 10,000 gallons of water. Add 4.3 to 8.6 fluid ounces of AQUA GUARD™ GREEN ALGAECIDE per 10,000 gallons every 5 to 7 days after initial treatment for maintenance.

SPAS, WHIRLPOOLS, HOT TUBS, DECORATIVE FOUNTAINS AND PONDS HAVING JUST VISIBLE ALGAE GROWTH: Require an initial dose of 2 to 4 fluid ounces of AQUA GUARD™ GREEN ALGAECIDE per 1,000 gallons of water. For treatment of freshly cleaned and filled spas, whirlpools, hot tubs, decorative fountains or ponds add initially 1 to 2 fluid ounces of AQUA GUARD™ GREEN ALGAECIDE per 1,000 gallons of water. Add 0.5 to 0.8 fluid ounces of AQUA GUARD™ GREEN ALGAECIDE every 5 to 7 days after initial treatment for maintenance. AQUA GUARD™ GREEN ALGAECIDE is compatible with those chemicals normally used to treat pools and spas and is effective at both acid and alkaline pH. AQUA GUARD™ GREEN ALGAECIDE can be used in pools and spas treated with chlorine chemicals and may reduce the amount of those chemicals normally required. However, do not mix AQUA GUARD™ GREEN ALGAECIDE with concentrated dry or liquid chlorine products.

PRECAUTIONARY STATEMENTS:
Hazards to Humans and Domestic Animals
CAUTION: Harmful if swallowed and absorbed through the skin. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish, aquatic invertebrates, and clams.

PHYSICAL AND CHEMICAL HAZARDS: Do not mix with acids, ammonia, oxidizers, bleach or other household chemicals.

FIRST AID: Call a Poison Control Center (1-866-366-5048) or doctor for treatment advice. Have the product container or label with you when calling Poison Control Center or doctor, or going for treatment. IF SWALLOWED: Have person sip a glass of water if able to swallow. DO NOT induce vomiting unless told to do so by Poison Control Center or doctor. Do not give anything by mouth to an unconscious person. IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration preferably mouth-to-mouth, if possible.

STORAGE AND DISPOSAL:
STORAGE: Keep product in tightly closed container when not in use. Store in a cool, dry, well-ventilated area away from heat or open flame. CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. IF EMPTY: Place in trash or offer for recycling if available. IF PARTLY FILLED: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
