**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**WARNING**

Causes substantial but temporary eye injury. Causes skin irritation. Do not get in eyes, on skin, or on clothing. Wear protective eyewear (goggles, safety glasses with face shield or safety glasses). Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

**PERSONAL PROTECTIVE EQUIPMENT (PPE)**

- Gloves and boots using liquid formulation must wear.
- Long-sleeved shirt and long pants
- Protective eyewear
- Gloves and chemical resistant gloves. Some gloves/materials that are chemical-resistant to this product are barrier laminated, butyl rubber, nitrile, neoprene, PVC and Viton.

**USER SAFETY REQUIREMENTS**

- Follow manufacturers instructions for clean/maintaining PPE. If no such instructions exist for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.
- Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them.

**USER SAFETY INSTRUCTIONS**

- Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet
- Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing.

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish and shrimp. Do not apply directly to water. Do not contaminate water when disposing equipment wastewater. Do not discharge effluent containing this product into lakes, streams, rivers, ditches, ponds, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of Environmental Protection Agency.

**PHYSICAL OR CHEMICAL HAZARDS**

Keep container closed when not in use. Store in cool, well ventilated space.

**IN CASE OF FIRE**

Use water spray or fog, foam, dry chemical or carbon dioxide to extinguish fire.

**LIMIT OF WARRANTY AND LIABILITY**

We warrant this material to comply with our published specifications and to be good merchantable quality and such as we regularly pass in the trade for goods within the description, and further warrant such goods to be fit for the normal purposes for which goods are used. We assume no responsibility that the goods concerned in this contract are fit for any particular purpose for which

---

**FIRST AID**

- **IF IN EYES**
  - Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
  - Call poison control center or doctor for treatment advice.

- **IF ON SKIN OR ON CLOTHING**
  - Take off contaminated clothing.
  - Rinse skin immediately with plenty of water for 15 to 30 minutes.
  - Call a poison control center or doctor for treatment advice.

- **IF SWALLOWED**
  - Immediately call a poison control center or doctor.
  - Do not induce vomiting unless told to do so by a poison control center or doctor.
  - Do not give any liquid to person.
  - Do not give anything by mouth to an unconscious person.

- **IF INHALED**
  - Move person to fresh air.
  - If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
  - Call a poison control center or doctor for further treatment advice.

- **HOT LINE NUMBERS**
  - Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 800-588-0489 for emergency medical treatment information.
  - Transportation emergency contact 800-433-4920.

**NOTE TO PHYSICIAN**

Treat symptomatically.

---

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.

- **Storage:** Store in a closed, properly labeled container in a cool place. If static generating conditions exist, provide necessary grounding and bonding. Keep containers closed when not in use.
- **Pesticide Disposal:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or residue is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.
- **Container Handling/Nonrefillable container:** Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container with full water. Replacement and tighten closures. Tie container on its side and roll it back and forth ensuring at least one complete revolution for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinse into application equipment or a mix tank or store rinse for later use or disposal. Repeat this procedure two more times. Then offer for recycling if available.
