### Storage and Disposal

Do not contaminate water sources, habitats, or skyways by disposing of the product through storage or disposal.

**Storage:** Store this product only in its original container in a dry, cool, secure storage area out of reach of children.

**Disposal:** Do not re-use or refill this container. Completely empty bags into an approved disposal system. Do not store or dispose of this material in a manner that causes a fire or explosion.

### Precautionary Statements

**Hazard to Humans and Domestic Animals:**

- Avoid contact with skin, eyes, mouth, and clothing.
- Wash hands thoroughly with soap and water after handling or applying this product.
- Avoid breathing dust or fumes. Wear a respiratory mask when handling or applying this product.

**Environmental Hazards:**

- Do not apply this product in a manner that causes a fire or explosion.
- Do not store or dispose of this material in a manner that causes a fire or explosion.

### Application Directions

Apply uniformly through a calibrated sprayer with a flat-fan or hollow cone nozzle. Adjust the spray pattern to cover the entire area to be treated. Avoid applying this product in excessively dry conditions. Apply this product to bare soil before or immediately following the next application. Do not apply this product to turf that is stressed or has been recently treated with contact or pre-emergent herbicides.

### USE PRECAUTIONS

- Do not use this product in a manner that causes a fire or explosion.
- Avoid contact with skin, eyes, mouth, and clothing.
- Avoid breathing dust or fumes. Wear a respiratory mask when handling or applying this product.

**Features:**

- **Long-Lasting:** This product will provide all the benefits of a long-lasting fertilization program.
- **Stable Performance:** This product is designed to perform consistently under a variety of conditions.
- **Safe for Use:** This product is safe for use under normal circumstances.

**Labels:**

- For best results, follow the label instructions carefully.
- Always read the label before use.

**Packaging Information:**

- Net Weight: 50 lb (22.7 kg)
- SN: 150
