**STORAGE AND DISPOSAL**

Do not compost with sewage sludge. Do not use on or within 24 inches of listed vegetables or fruit. Not for use on flowers or cut flowers. Do not contaminate water, food, or feed by storage or disposal. 

**PRODUCT INFORMATION**

Do not use on or around any plants recently sprayed with a pesticide. 

**DIRECTIONS FOR USE**

1. Apply pellets as a barrier around plants by distributing pellets evenly in a line at the following rates, pellets per linear foot:

   - Corn (bobs): 20
   - Cucumber: 14
   - Garlic: 18
   - Ginger: 16
   - Gladiolus: 14
   - Iberis: 16
   - Leafy Greens: 18
   - Lettuce: 3
   - Nasturtium: 14
   - Onion: 14
   - Pea: 20
   - Potatoes: 18
   - Radish: 20
   - Rose: 20
   - Strawberries: 20
   - Sweet Corn: 3
   - Thyme: 10
   - Vegetable: 10
   - Winter: 3
   - Woodland: 3
   - Zoysi: 3

2. Apply at the rate of pellets per linear foot as listed above. This product is no longer visible.

3. Children and pets must be kept out of treated areas from the start of application until the applied product is no longer visible.

**ENVIRONMENTAL HAZARDS**

**CAUTION**

**KEEP OUT OF REACH OF CHILDREN**

**FIRST AID**

- **If Inhaled:**
  - Move person to fresh air.
  - Do not induce vomiting unless told to by the poison control center or doctor.
  - If person is not breathing, call 911 or ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

- **If Swallowed:**
  - Call a poison control center or doctor for treatment advice.
  - Have person sip a glass of water if able to swallow.
  - If person is not breathing, call 911 or ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

- **If Contacted:**
  - Rinse skin immediately with plenty of water for 15 - 20 minutes.
  - Remove and wash contaminated clothing before reuse.

**PRECAUTIONARY STATEMENTS**

- **Keep children and pets out of treated areas from the start of application until the applied product is no longer visible.**

- **IMPORTANT:**
  - Children and dogs may be attracted to metaldehyde products and their packaging.

- **CAUTION:**
  - This product is no longer visible.

- **NOTE TO VETERINARIAN:**
  - If absorbed through skin:
  - Avoid breathing dust.
  - Avoid contact with skin, eyes, or clothing.

- **NOTE TO PHYSICIAN:**
  - If swallowed:
  - Do not induce vomiting unless told to by the poison control center or doctor.
  - Call a poison control center or doctor for treatment advice.
  - If significant ingestion is suspected, and the animal is asymptomatic, monitor liver function post recovery.

- **IN CASE OF ACCIDENT OR INJURY:**
  - Call a poison control center or doctor for treatment advice.
  - If significant ingestion is suspected, and the animal is asymptomatic, consider induction of emesis or gastric lavage and administration of activated charcoal, and supportive.

- **POISONING HOTLINE:**
  - Seek medical care as soon as possible after exposure.
  - Have the product label or container with you.

- **CAREGIVER INSTRUCTIONS:**
  - Keep children and pets out of treated areas from the start of application until the applied product is no longer visible.

- **CORPORATE TELEPHONE:**
  - 858-7378.
