FIRST AID STATEMENT

If on skin or clothing
- Take off contaminated clothing.
- Wash skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.
- Call a police or fire department for possible hazardous materials team (HMT) response.

If inhaled
- Move person to fresh air.
- If person is not breathing, call F1-1 or an ambulance, then give
  artificial respiration, preferably mouth-to-mouth if possible.
- Call a poison control center or doctor for further treatment advice.

If in eyes
- Hold eye open and rinse slowly and gently with water for 15-20
  minutes. Remove contact lenses, if present, after the first 5
  minutes, then continue rinsing.
- Call a poison control center or doctor for treatment advice.

If swallowed
- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to by a poison control center or doctor.
- Do not give anything to an unconscious person.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Users should:
- Remove clothing/PPE immediately if pesticide gets underneath clothing. Then, shower cleaning skin thoroughly
  with soap and water, and put on clean clothing.
- Remove clothing/PPE immediately after handling this product. Wash the outside
  of gloves with soap and water before removing.
- Remove and wash contaminated clothing before reuse. As soon as possible, wash thoroughly and change into
  clean clothing.

PROTECTIVE EQUIPMENT:

Applicators and other handlers must wear:
- Long-sleeved shirt and long pants
- Chemical-resistant gloves made of any waterproof material such as nitrile rubber, butyl rubber, neoprene rubber, barrier laminate, polyethylene, polyvinyl chloride (PVC), or latex
- Long pants
- Protective eyewear
- Protective boots

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Users should:
- Remove clothing/PPE immediately if pesticide gets underneath clothing. Then, shower cleaning skin thoroughly
  with soap and water, and put on clean clothing.
- Remove clothing/PPE immediately after handling this product. Wash the outside
  of gloves with soap and water before removing.
- Remove and wash contaminated clothing before reuse. As soon as possible, wash thoroughly and change into
  clean clothing.

ENVIRONMENTAL HAZARDS

Do not apply directly to water, or to areas where surface water is present or a treated area below the mean high
  water mark. Do not contaminate water when disposing of equipment washwater or runoff.

Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only
  protected handlers may be in the area during application. For any requirement specific to your State and Tribe,
  consult the State Tribal emergency response for pesticide regulations.

TRE0866
Apple, Pear, Walnut, Pecan, Quince, and other pome fruits

Mix CIDETRAK® DA MEC™ with prescribed and/or lower label rates of a suitable Codling Moth insecticide or CMpheromone formulations.

Apply the foregoing mixture in a full coverage spray, according to directions intended to be applied to apple, pear and walnut orchards for control of Codling Moth, Cydia pomonella (L.)

CIDETRAK® DA MEC™ is enhancement for mixing with insecticides or Codling Moth pheromone formulations.

• • • •

Involves contact with anything that has been treated, such as plants, soil, or water, is:

PPE required for early entry to treated areas that is permitted under the Worker Protection Standard.

Entry interval (REI) of 4 hours.

This Standard contains requirements for the protection of agricultural workers on farms, forests, nurseries, and handlers of agricultural pesticides. It contains requirements for training, decontamination, and emergency assistance. It also specifies conditions and restrictions pertaining to the label on actual product label information, equipment, workers, and handlers.

Do not treat or apply this product in a manner inconsistent with its labeling.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

All statements concerning the use of this product apply only when used as directed on this label. This label is warranted for the conditions of use according to this label, is reasonably fit for the stated label purpose.

To the extent consistent with applicable law, buyer's exclusive remedy, should this product be defective, is replacement of the product, or if this is impracticable, a purchase price refund.

PESTICIDE STORAGE:

Store in a cool, dry place, out of direct sunlight, and in such a manner as to prevent cross contamination. Store out of reach of children, preferably in a locked storage area.

PESTICIDE DISPOSAL:

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL:

Nonrefillable container (equal to or less than 1 gallon):

Do not reuse or refill this container. Place in the trash or offer for recycling where permitted.

PESTICIDE STORAGE:

Store in a cool, dry place, out of direct sunlight, and in such a manner as to prevent cross contamination.

PESTICIDE DISPOSAL:

Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

| Hot line number | • Have the product container or label with you when calling a poison control center or doctor or going for treatment. – For emergency information on (product, use, etc.), call the National Pesticides Information Center at 1-800-858-7378, 6:00 AM to 6:30 PM Pacific Time (PT), seven days a week. During other times, call the poison control center 1-800-222-1222. For additional information, you may also contact Trécé Inc. at 1-866-785-1313. |

**PERSONAL PROTECTIVE EQUIPMENT (PPE)**

**ACTIVE INGREDIENTS:**
- 2,4-Decadienoic Acid, Ethyl Ester, (E, Z) 5.00 %

**OTHER INGREDIENTS:**
- 95.00 %

**TOTAL:**
- 100.00 %

**EPA Registration No.** 51934-12
**EPA Establishment No.** 51934-OK-001 A, 51934-OK-002 C

**Superscript is first letter of lot number**

**NET CONTENTS:**
- 8.12 fl. oz. (240 mL)

**CAUTION**
Keep out of the reach of children

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**
**CAUTION.**
Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Wear the appropriate PPE.

**PERSONAL SAFETY RECOMMENDATIONS**

**Users should:**
- • Remove clothing/PPE immediately if pesticide gets underneath clothing. Then, shower cleaning skin thoroughly with soap and water and put on clean clothing.
- • Remove PPE immediately after handling this product. Wash the outside of gloves with soap and water before removing.
- • Remove and wash contaminated clothing before reuse. As soon as possible, wash thoroughly and change into clean clothing.

**PERSONAL PROTECTIVE EQUIPMENT (PPE)**

**Applicators and other handlers must wear:**
- • Long-sleeved shirt and long pants
- • Chemical-resistant gloves made of any waterproof material such as nitrile rubber, butyl rubber, neoprene rubber, barrier laminate, polyethylene, polyvinyl chloride (PVC), or Viton.
- • Shoes plus socks
- • Protective eyewear

Follow manufacturer’s instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

**USER SAFETY RECOMMENDATIONS**

**ENVIRONMENTAL HAZARDS**

Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate.

Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. For any requirement specific to your State and Tribe, consult the State/Tribal agency responsible for pesticide regulation.
CEDETRAK® DA-MEC’s enhancement for mixing with insecticides or Codling Moth pheromone formulations intended to be applied to apple, pear and walnut orchards for control of Codling Moth, Cydia pomonella.

**Crop**
Apple, Pear, Walnut, Pecan, and other pome fruits

**Targeted Pest**
Codling Moth (Cydia pomonella), Hickory Shuckworm (Cydia curvigera)

**Chemical Compatibility**
Check physical compatibility of CEDETRAK® DA-MEC™ + insecticide or CM pheromone formulation mixtures for spray application. No plant phytotoxicity has been observed with mixtures of CEDETRAK® DA-MEC™. But one may check plant phytotoxic response to mixtures of CM pheromone formulations + insecticide or CM pheromone formulation by treating 4-5 plants or small area of foliar surface of plants with chosen mixtures. Observe the effect over 2 days.

**DIRECTIONS FOR USE**

**Agricultural Use Requirements**
Use this product only in accordance with its labeling and with the Worker Protection Standard, 40 CFR Part 170. This Standard contains requirements for the protection of agricultural workers on farms, forests, nurseries, and greenhouses, and handlers of agricultural pesticides. It contains requirements for training, decontamination, notification, and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements on this label about personal protection equipment (PPE), notification to workers, and restricted-entry interval. The requirements in this box only apply to uses of this product that are covered by the Worker Protection Standard. Do not enter or allow worker entry into treated areas during the restricted entry interval (REI) of 4 hours.

PPE required for early entry to treated areas that is permitted under the Worker Protection Standard and that involves contact with anything that has been treated, such as plants, soil, or water, is:
- Long-sleeved shirt and long pants
- Chemical-resistant gloves made of any waterproof material such as nitrile rubber, butyl rubber, neoprene rubber, barrier laminate, polyethylene, polyvinyl chloride (PVC), or Viton.
- Protective eyewear
- Chemical-resistant boots with non-slip soles
- Protective workwear

**WARRANTY AND LIMITATION OF DAMAGES**
All statements concerning the use of this product apply only when used as directed as stated on this product label. Trece Inc. warrants that the product conforms to this label and under normal conditions of use according to this label, is reasonably fit for the stated label purpose. To the extent consistent with applicable law, the manufacturer makes no express or implied warranties of merchantability or fitness for a purpose concerning this product, or its use, extending beyond the label. To the extent consistent with applicable law, under no circumstance will Trece Inc. be liable for any special, incidental or consequential losses that result from the handling, storage, or use of this product which is not in compliance with the label. Read all label directions carefully.

To the extent consistent with applicable law, buyer’s exclusive remedy, should this product be defective, is replacement of the product, or if this is impracticable, a purchase price refund.

**CONTAINER DISPOSAL:** Nonrefillable container (equal to or less than 5 gallons): Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank and drain for 10 seconds after the flow begins to drip. Fill the container ¼ full with water and recap. Shake for 10 seconds. Pour rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Offer for recycling, if available or reconditioning, or puncture and dispose of in a sanitary landfill or by incineration, or if allowed by State and local authorities, by burning. If burned, stay out of smoke.

All statements concerning the use of this product apply only when used as directed as stated on this product label. Trece Inc. warrants that the product conforms to this label and under normal conditions of use according to this label, is reasonably fit for the stated label purpose. To the extent consistent with applicable law, the manufacturer makes no express or implied warranties of merchantability or fitness for a purpose concerning this product, or its use, extending beyond the label.
