WET & FORGET® INDOOR

Mold + Mildew Disinfectant Cleaner

Use Wet & Forget® Indoor Mold + Mildew Disinfectant Cleaner to safely remove mold, mildew, fungus, and algae from indoor surfaces. This easily applied, no-rinse product kills mold, mildew, and fungi on contact and prevents their re-growth for up to 1 year. Use on AC units, grills, ceiling fans, AC coils, and sills. Non-toxic, non-flammable, and safe on all indoor surfaces, including wood, metal, plastic, and more.

TO REFILL THIS BOTTLE CONTAINER: REMOVE trigger spray from empty container. FOUR: Unscrew cap on refill and your directly into empty container. USE: Replace trigger sprayer and use as you normally would.

DIRECTIONS FOR USE: For best results, use Wet & Forget® Indoor Mold + Mildew Disinfectant Cleaner in warm weather (above 60°F). Make sure the area is well-ventilated and not below freezing. Apply the product directly to mold, mildew, fungus, and algae infested surfaces. Apply product to areas in a back and forth motion, making sure to cover all areas to be treated. Apply the product with a brush, sponge, or atomizer. Allow the product to remain on the surface for 10 minutes. For hard to reach areas, a microfiber cloth or sponge may be used. DO NOT APPLY TO WOOD. TREATMENT TIME: 10 minutes. DO NOT RINSE. If the treated surface is not saturated, apply more product directly until saturated.

STORAGE AND DISPOSAL: Store at room temperature (60°F to 80°F) in a cool dry area. This product is non-hazardous and non-flammable. Use best before the date on the bottle. Dispose of empty containers in accordance with local regulations. Do not incinerate.

PRECAUTIONARY STATEMENTS: HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, or using tobacco.

FIRST AID TREATMENT: In case of contact with eyes, rinse immediately with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes then rinse eyes for another 15-20 minutes. If irritation persists, consult a doctor. Consult a doctor or poison control center or doctor as needed for treatment.
