FIRST AID

IF ON SKIN OR CLOTHING:
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

IF IN EYES:
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, and then continue rinsing eyes.
- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor. For information regarding medical emergencies or pesticide disposal, call 1-800-795-7711.

DIRECTIONS FOR USE:

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

USE RESTRICTIONS:
- Do not apply when food is present.
- Cover or remove exposed food. Cover all food preparation surfaces and utensils during treatment or thoroughly wash surfaces and utensils before use.
- Do not contaminate water, food, or feed.

Do not allow adults, children or pets to enter the treated area until sprays have dried.

Do not apply more than 1 time per week.

Do not apply this product in a manner that will contact adults, children, or pets, either directly or through drift.

FOR INDOOR USE ONLY

FOR USE IN RESIDENTIAL AREAS

Check fleas and ticks. It contains a unique combination of ingredients that kills adult, preadult fleas (larva) and flea eggs. Even kills fleas before they grow up to be adults.

This product is not to be used indoors. It is for use indoors only. It is effective when stored properly in its original container.

No objectionable odor or sticky mess and, used as directed, does not stain furnishings.

FLEAS & TICKS

SHAKE WELL. Hold can upright 2 or 3 feet from surfaces to be treated. Turn container upside down and point valve toward surface to be sprayed. Be sure to apply uniformly using a sweeping motion to carpets, rugs, drapes and all surfaces of upholstered furniture. Be sure to treat pet bedding, as this is a primary hiding place for fleas. No need to remove pet bedding after treatment. DO NOT TREAT PETS. Use a registered flea control product on your pets in conjunction with this treatment. Avoid wetting furniture and carpeting. A fine mist or spray applied uniformly is all that is necessary to kill fleas and ticks.

Do not apply more than 1 time per week to the same surface for killing ticks.

STORAGE AND DISPOSAL

Do not contain metal water, food, or feed by storage or disposal.

PESTICIDE STORAGE:
- Store in a cool, dry area.
- Always store pesticides in the original container. Store away from food and pet food.

PESTICIDE DISPOSAL AND CONTAINER HANDLING:
- Do Not Puncture or Incinerate:
- Non-refillable container. Do not reuse or refill this container.
- If empty: Place in trash or offer for recycling if available.
- If partly filled: Call your local solid waste agency for disposal instructions.
