Controls reinfestation for up to 30 days

First Aid:
IF INHALED: Remove person to fresh air. If person is not breathing, call 911 or an ambulance. If breathing is not depressed, do not give mouth-to-mouth resuscitation. Give artificial respiration, if needed.

IF SWALLOWED: Have the product container with you when calling a poison control center, doctor or veterinarian, or going for treatment. For more information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-888-908-TICK (8425). Do not induce vomiting unless told to do so by a poison control center or doctor. Give 1 to 2 tbsp. of water for each pound of body weight if the person is able to swallow. If not, call a poison control center or doctor for treatment advice. Have person sip a glass of water if able to swallow. DO NOT INDUCE VOMITING.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Call a poison control center or doctor for further treatment advice. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

IF ON SKIN OR CLOTHING:
Take off contaminated clothing. Rinse skin thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Wash contaminated clothing before reuse.

Harmful if swallowed, inhaled or absorbed through the skin.

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

The products in this package contain chemicals that may be harmful if swallowed, inhaled or absorbed through the skin. Ingestion of the products can cause a wide range of symptoms, including inflammation of the stomach and intestines, vomiting, diarrhea, convulsions, respiratory distress, weakness, drowsiness or dizziness, and death. These products contain multiple active ingredients, none of which are approved for use in food-producing animals. Contact with the eyes, skin, or mucous membranes can cause irritation or sensitization. If eaten, the products can cause serious illness or death. Do not allow children in the area while this product is in use. Keep out of the reach of children. Keep this product in its tightly closed original container, when not in use. Store this product in a cool, dry (preferably locked) place away from heat and open flame, and in an area that is inaccessible to children and animals.

PESTICIDE STORAGE:
Store this product in a cool, dry (preferably locked) place away from heat and open flame, and in an area that is inaccessible to children and animals.

PESTICIDE DISPOSAL AND CONTAINER HANDLING:
Nonrefillable container. Do not reuse or refill this container. If empty, leave the container with this label on it at the place of purchase or in the trash. Place in trash or offer for recycling if available. Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
