CiDehol®ST is bactericidal. The results of AOAC Efficacy Tests show that CiDehol®ST is an effective hard surface disinfectant against Pseudomonas aeruginosa (ATCC® 15442), Staphylococcus aureus (ATCC®6538), and Salmonella enterica (ATCC® 10708), in the presence of 5% fetal bovine serum organic load in 10 minutes.

STORAGE AND DISPOSAL
Do not contaminate water, food, or feed by storage and disposal: Storage: Store in the original container in a dry cool place below 48.8 °C (120 °F). Disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticides, spray mixture or rinsates is a violation of Federal Law. If these wastes cannot be disposed of by you according to label instructions, contact your State Pesticide or Environmental Control agency, or the Hazardous waste representations of the nearest EPA Regional Office for guidance.

First Aid

If in eyes: • Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses (if present), after the last five minutes, then continue rinsing eye.

If swallowed: • Call a poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. • Do not give anything by mouth to an unconscious person.

If inhaled: • Have person fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. • Call a poison control center or doctor for treatment advice.

If on skin or clothing: • Take off contaminated clothing. • Wash skin immediately with plenty of water for 15 - 20 minutes. • Wash skin immediately with plenty of water for 15 - 20 minutes.

If on skin or clothing: • Take off contaminated clothing. • Wash skin immediately with plenty of water for 15 - 20 minutes. • Call a poison control center or doctor for treatment advice.

For emergency information on CiDehol®ST, call the National Pesticides Information Center at 1-800-858-7378, 6:30-4:30 pm Pacific time (PT), seven days a week. During other times, call the poison control center 1-800-222-1222.

Precautionary Statements
• HAZARDS TO HUMANS AND DOMESTIC ANIMALS
DANGER: Causes irreversible eye damage. Harmful if swallowed or inhaled. Do not get in eyes or on clothing. Avoid breathing vapor or spray mist. Avoid contact with skin or clothing. Wear protective eyewear such as goggles or face shield, protective clothing and chemically resistant gloves. Wash thoroughly with soap and water after handling, before eating, drinking, chewing gum or using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

PHYSICAL AND CHEMICAL HAZARDS: FLAMMABLE: Liquid and vapor. Keep away from heat or open flame. Exposure to temperatures above 48.8 °C (120 °F) may cause burning. Do not mix this product with other chemicals including acid, scaling materials, sanitizers, bleaches, detergents, paint removers, and metals and metal salts.

Directions for Use
Read the label before using. It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

This product is NOT to be used as a terminal sterilant/high-level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either via site in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high-level disinfection.
