**FIPRONIL 9.7%**

**For use ONLY on dogs 23-44 lbs.**

**3 MONTH SUPPLY**

**Contains fipronil, an active ingredient used in FRONTLINE® brand products.**

**KILLS**
- Fleas
- Ticks
- Chewing lice

**WATERPROOF**

**For external use on dogs only.**

**DIRECTIONS FOR USE**
- Apply one tube (1.34 mL)(0.045 fl oz) as a spot on the dog's back between the shoulder blades.
- This product remains effective, even after bathing, water immersion, or even death. Consult a veterinarian before using on medicated, debilitated, aged, pregnant or nursing dogs.
- This product is not useful for preventing the establishment of a new infestation. In order to prevent reinfestation for 4 weeks, reapply monthly beginning with the initial application and monthly thereafter for the next 24 hours. You may apply daily during the first week following initial application, if necessary, as directed by your veterinarian.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS. CAUTION.**
- DO NOT ALLOW CHILDREN TO APPLY PRODUCT. TO PREVENT HARM TO YOU AND YOUR DOG, READ ENTIRE LABEL BEFORE EACH USE. FOLLOW ALL DIRECTIONS AND PRECAUTIONARY STATEMENTS CAREFULLY. Do not use on cats, rabbits or animals other than dogs. Do not allow your dog to ingest this product. Do not use on puppies under 8 weeks of age or less than 23 lbs. Use entire contents of tube on each dog. Do not split one tube between dogs. Do not use multiple tubes on one dog.

**KEEP OUT OF REACH OF CHILDREN.**

**CAUTION**
- Exceeding the recommended dosage or not applying as directed can cause your dog to show signs of toxicity. Consult your veterinarian before applying this product.

**FIRST AID**
- If swallowed: Call a poison control center or a doctor immediately for treatment advice. Have person sip a glass of water if conscious. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**GENERAL**
- If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes. Please see Back Panel for additional information.
- If on skin: Wash with plenty of soap and water. Get medical attention if irritation persists.

**FIPRONIL**
