- Do not exceed the maximum level of the siphonizer.

APPEARANCE:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

ORDER POLICY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

APPEARANCE OF PRODUCE:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

ORDER POLICY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

LIMITATION OF LIABILITY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

ORDER POLICY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

LIMITATION OF LIABILITY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

ORDER POLICY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

LIMITATION OF LIABILITY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

ORDER POLICY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

LIMITATION OF LIABILITY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

ORDER POLICY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

LIMITATION OF LIABILITY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

ORDER POLICY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

LIMITATION OF LIABILITY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

ORDER POLICY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

LIMITATION OF LIABILITY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

ORDER POLICY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

LIMITATION OF LIABILITY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

ORDER POLICY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

LIMITATION OF LIABILITY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

ORDER POLICY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

LIMITATION OF LIABILITY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

ORDER POLICY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

LIMITATION OF LIABILITY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

ORDER POLICY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.

LIMITATION OF LIABILITY:

- Use the Triple Guard™ siphonizer to measure the correct amount of powder for each use.
- Store the powder in a cool, dry place.
- Do not exceed the maximum level of the siphonizer.
Use these stickers to remind you when to apply and to purchase Pet Balance Triple Guard for Cats.

The first time you treat your cat, peel off the sticker and place on your calendar that day. To remind you when the next application is due, place the other two stickers on your calendar 1 and 2 months after the first application.

Reminder: It's time to repurchase Pet Balance Triple Guard for Cats!
