Aqueon® Algae Remover controls algae in freshwater aquariums containing live plants and fish.

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For indoor aquarium use only. Add 1 ml (1/5 tsp) per 10 U.S. gallons of aquarium water or 5 ml (1 tsp) per 50 U.S. gallons of aquarium water. Repeat dose every 3 days until algae is controlled. Siphon or scrape any algae from aquarium. Once algal growth is under control, add one dose per week. Weekly doses of Aqueon® Algae Remover will control algal growth and reduce aquarium maintenance.

**CAUTION:** Do not use Aqueon® Algae Remover with freshwater crustaceans, including shrimp, crabs and lobsters.

**STORAGE AND DISPOSAL**
Do not contaminate water, food, or feed by storage and disposal.

**STORAGE:** Keep product in a tightly closed container when not in use. Store in a cool, dry, well-ventilated area away from heat and open flame.

**DISPOSAL:** Nonrefillable container. If empty, do not reuse or refill this container. Offer for recycling if available. If properly sealed, call your local solid waste agency for disposal instructions. Never place unused product near an indoor or outdoor drain.

**PRECAUTIONARY STATEMENTS**
**HAZARDS TO HUMANS & DOMESTIC ANIMALS**
**CAUTION:** Harmful if swallowed or absorbed through the skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse.

**FIRST AID:**
**IF ON SKIN or CLOTHING:** Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor immediately for treatment advice.

**IF IN EYES:** Hold eye open and rinse slowly with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

**ENVIRONMENTAL HAZARDS:** Concentrated product is harmful to fish and other aquatic organisms, please follow labeling directions carefully.
