Kills Clothes Moths, Carpet Beetles and Their Eggs & Larvae when used in air-tight containers.

No Lasting Odor Treats Up to 12 cu. ft.

Keep Out of Reach of Children

Warning: Causes substantial but temporary eye damage. Wear protective eyewear. Harmful if swallowed. Do not get in eyes, on skin or on clothing. Wear long-sleeved shirt, long pants, shoes, socks and waterproof gloves. Thoroughly wash with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

Precautionary Statements

Hazards to Humans & Domestic Animals

Physical or Chemical Hazards

Combustible. Do not use or store near heat or open flame.

Use Restrictions: Do not use dry cleaning bags, garbage bags or other containers that allow vapors to escape into occupied rooms. This product can damage some plastics; use only in polyethylene or polypropylene containers. Do not mix paradichlorobenzene or use it together with other moth preventative chemicals.

Homebright® Original Moth Balls kill clothes moths, carpet beetles and their eggs & larvae in closed, airtight containers such as chests, trunks and garment bags. Homebright® Original Moth Balls prevent moth infestation regardless of fabric type.

Pre-Application Directions: Before storing: Dry clean, wash or brush articles to be protected. Application Directions: The moth balls in this container treat up to 12 cu. ft. (4 oz. container). One ounce of mothballs (6 mothballs) treats up to 3 cubic feet of storage space. Use the amount of product required for proper treatment area. Ex: 24 mothballs (4 oz. container) treats 12 cu. ft. Calculate the volume to be treated by multiplying the height by the width then by the depth of the space. To ensure protection of your clothes, use the specified amount of Homebright® Original Moth Balls. Store Homebright® Original Moth Balls evenly and between the folds of stored articles. Keep product in airtight space for a minimum of 7 days. If mothballs dissipate add additional mothballs to the container. Odor quickly vanishes when articles are aired. Retreatment: Since moths are active all year, replenish moth balls in air-tight closets, containers and bags 2 times a year.

Questions/Comments? 1-855-345-5575

Active Ingredient: Paradichlorobenzene (CAS No: 106-46-7) 99.9%

Other Ingredients: 0.1%

Total: 100.0%

EPA Reg. No. 90253-1 EPA Est. 90252-CN1

First Aid

If Inhaled: Hold eye open and flush with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue flushing eye. Call a poison control center or doctor for treatment advice. If Swallowed: Call a poison control center or doctor immediately for treatment advice. If person inhales, give 2-3 puffs of air to the lungs if able to swallow. Do not induce vomiting unless told to do so by a poison control center. If on Skin or Clothing: Take off contaminated clothing. Wash skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Have the container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Pesticide Information Center Network (NPIC) at 1-800-858-7378 for emergency medical treatment information.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal. Pesticide Storage: Do not use or store near heat or open flame. Store only in original container, in a cool, dry place inaccessible to children and pets. Pesticide Disposal and Container Handling: Non-refillable container; do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain. Notice: This product contains a chemical known to the State of California to cause cancer.
